ROAD TO RECOVERY

CAN'T ABORT THIS MISSION

In the state of Texas there has been a new law passed concerning the issue of abortions. This new law states that, It prohibits most abortions after about six weeks of pregnancy.

ROAD TO RECOVERY

Everyone plays a part in the restoration of our people. The road to recovery isn't a short one, However we must do what was asked of us and get better as a people actively walking in the direction of righteousness. The importance of building our community can not be emphasized enough. With the lack of order in our households our children grow up to continue you the cycle of disobedience. The saying "It takes a village to raise a child" is one to consider. Having righteous neighbors plays a big part in community building. Not only will they raise their children up in the way they should go, they are another set of eyes to keep a close eye on your children as well. As more events come around we definitely highly recommend you go and spend some time building with your people and make those relationships that will last forever.

A person can be known by their attire, so who's brand are you rocking? People are willing to do many things to get recognized usually focusing on the outer appearance instead of starting within themselves. The so-called "designer" clothes give many a sense of status or a boost of confidence in the lifestyle they're leading, which in most cases is a dead end.

Proverbs 29:2 (KJV).

*When the righteous are in authority, the people rejoice:
but when the wicked beareth rule, the people mourn.*

Everything but pure righteousness is promoted in these times which causes a lot of people to forget about finding who they truly are. You're shown over and over, that if you don't have the latest trending devices or outfits that you're out of touch or good for nothing, this too is a dead end. The Opposition (Opp) has tricked the whole world into desiring to be out of touch with The Life Source and Those Used to direct The Chosen back to The Master Designer. Every great artist leaves their signature marking on their work so you know it's really authentic and not a knockoff. If you look around the world it's evident to see this fashion of living is just that a knockoff and you should want a much more comfortable garment to relax in. Tings Ain't What Dey Seam.

Can't Abort This Mission

In the state of Texas there has been a new law passed concerning the issue of abortions. This new law states that, It prohibits most abortions after about six weeks of pregnancy.

About 70 percent of abortions in Texas in 2019 were provided to women of color, according to the Guttmacher Institute.

"Our creator endowed us with the right to life and yet millions of children lose their right to life every year because of abortion," Abbott said in a bill signing ceremony, captured on videos posted on social media. The Legislature "worked together on a bipartisan basis to pass a bill that I'm about to sign that ensures that the life of every unborn child who has a heartbeat will be saved from the ravages of abortion."

The Mission Giving to Young Women

To the so called "women of color" who makes up most of the abortions not only in Texas but in America and across YAHUAH's earth. Remember this advice given to you by our big brother Paul inspired by The Word of YAHUAH.

I Timothy 5:14 (KJV) I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully.

He gives the advice especially to the younger woman to marry, bear children and guide the house. Also to leave no room for the enemy to speak reproachfully.

How The Enemy Speaks:

Those affected by this new law: teenagers, who often don't realize they are pregnant until later in a pregnancy; low-income people, who need to find about \$550 to cover the cost of the procedure; and people of color.

How YAHUAH Speaks:

Psalms 127:3 (KJV) Lo, children [are] an heritage of YAHUAH: [and] the fruit of the womb [is his] reward.

I Timothy 2:15 (KJV) Notwithstanding she shall be saved in childbearing, if they continue in faith and charity and holiness with sobriety.

Children are a gift from YAHUAH and a woman is saved through childbearing. So don't let the enemy's talk of disapproval keep you away from salvation. Seek YAHUAH's Face and His Commandments to know the way that child must be trained up to go in to keep a righteous seed in YAHUAH's earth. We can't abort this mission.
