A MAN'S DUE-TY

Shimshone Yashra'al

As a man, we have been placed in a position to enlighten the people and those around us. **Our minds have to be solely focused on doing what's good and right in the sight of The Most High without backtracking.** Doing so makes us above the common man because one has now realized the power it takes to serve others besides himself. The women and children who are special, strong, and delicate truly need us which means they must be handled with care by a gentle man. Yahusha said in order to be great one must love YAHUAH with all his might, soul, and mind in like manner love his neighbor as himself.

You must learn to accept correction in order to shine a light on the instructions that teaches a man to respect The Living Power and share it with someone else in need. **Simply being in agreement with someone like this allows The Power to be in the midst which brings in the miracles that make the concept true.**

Deuteronomy 4:6 (KJV)

Keep therefore and do [them]; for this [is] your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation [is] a wise and understanding people.

LOVE YAH NEIGHBOR

Shimshone Yashra'al

It is not good for man to be alone, The Most High share this with us from the top. So why is it so hard to find unity amongst the Bredren? Love needs the defroster turned on because it appears to be but frozen, but thankfully we have the light of law to do just that.

Having a sure proof plan that can't fail gives us confidence in our walk which is why **we've traveled across the US hosting Love Yah Neighbor events in places that really need it!** Even as the blind leaders lead astray on a day to day we are commanded to contend with their efforts and show an exit out of the folly into peace.

THERE'S A BIG DIFFERENCE BETWEEN SIMPLY BEING A TOURIST AND BEING A TRUE WORLD TRAVELER

Some may question why would someone want to waste their time showing love when the world doesn't give it back. It's simple the world first hated Yahusha who showed us how rise above all the hate and love the hell out of YAHUAH's people who are more precious than what meets the eye.

BEAR EACH OTHERS BURDENS

Galatians 6:1-2 (KJV) 1 Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted. 2 Bear ye one another's burdens, and so fulfil the law of Mashiyach.

No Respect Of Persons

When it comes to not showing respect of persons, it begins with having no unrighteous or bias judgment in a situation.

Here is an example story.

When a Father of a middle school student, learned that his daughter wasn't the classroom bully but laughed at the bullying taking place on another young sister. He took matters in his own hands and decided on a consequence for her involvement. He knows his daughter is a shopper and so he was putting money to the side to take her shopping. Since they bullied the other student about her clothes, The Father decided to take his daughter's shopping money and give it to the girl who was being bullied, so she went shopping instead and he also made his daughter help the young lady pick the new clothes.

This is a prime situation showcasing no unrighteousness in judgment and no respect of persons. A father chose what was right in a situation instead of focusing who is in the situation.
