MONKEY

“Monkeying around”

Monkeys are always seen as chaotic and out of order.

This image below means “see, hear and say no evil.”

Monkeys mimick what they see the next monkey doing.

“Monkey see. Monkey do.”

Which is interpreted as a call to discretion or figure for willful ignorance.

KICKIN' JUICE WITH ASIS

In today's society the goals, values, and roles differ like past generations. Millennials or those who were born between the years 1981-1996, are led by their own desires and choose to postpone getting married. Some of the common reasons amongst millennials putting the brakes on marriage:

- 👉 NOT FINANCIALLY STABLE
- 👉 TOO EARLY IN LIFE TO SETTLE DOWN
- 👉 HAVEN'T FOUND THE RIGHT PERSON FOR THEM

THEWAV613.COM

And as society continues to evolve, more opportunities for women are being presented; even furthering the thought of marriage. In previous generations, the likely age of women to marry was 19-20 and for the men 22-23. As time progressed that age continued to rise, and now women are choosing to marry at 29-30 and men 30-31. Most are likely to even remain unmarried even after 40, ultimately turning to not even marrying at all.

PROVERBS 18:22

HUSBANDRY- (HUSBANDMAN),
A "HOUSEHOLDER" OR
"MASTER OF THE HOUSE," IS
NOW LIMITED IN ITS MEANING
TO "FARMER" OR "TILLER OF
THE SOIL." IN THIS SENSE IT IS
THE CORRECT TRANSLATION
OF THE HEBREW WORD ("ISH")

WHEN YOU SEEK THE KINGDOM FIRST BEFORE ALL, YAHUAH STARTS
TO OPEN UP OPPORTUNITIES AND GIVE YOU POSSESSIONS TO
MANAGE. THE MORE YAHUAH OPENS UP FOR YOU, THE MORE
RESPONSIBILITIES AND ACCOUNTABILITY HE IS REQUIRING OF YOU. A
MAN WHO CAN'T MANAGE HIS OWN HOUSE CAN'T POSSIBLY BELIEVE
THAT HE WOULD HAVE A POSITION IN YAHUAH'S HOUSE.

1 TIMOTHY 3:5 (KJV) (FOR IF A MAN KNOW NOT HOW TO RULE HIS OWN
HOUSE, HOW SHALL HE TAKE CARE OF THE CHURCH OF YAHUAH?)

IN YAHUAH'S EYES MARRIAGE IS HONORABLE ABOVE ALL ELSE. IT IS
US WHO HAS MISTREATED AND ABUSED SOMETHING YAHUAH MADE
A BEAUTIFUL THING. IT'S OUR DUTY AS THE MEN TO MAKE A WAY
FOR HOUSEHOLDS. WOMEN SHOULD BE THE PILLAR OF PEACE, AND
AS THE SCRIPTURES STATE, WE AS THE MEN CAN KEEP STRIVING
FOR THE PERFECTION THAT WE KNOW IS ACHIEVABLE.

ARE YOU SMARTER THAN A FELINE?

Welcome! To 'Are You Smarter Than A Feline'! I know some are wondering, are they really asking is a human smarter than a feline? But wait! Before just assuming, let's see the scenario.

There are 37 species of felines. Ranging from a house cat, to a cougar, to even a lion. When looking at all of these different species of felines in their natural habitat we see how they naturally reproduce, and that is with its own kind. A lion will only mate with a lioness, a male tiger with a female tiger and a male cheetah with a female cheetah.

With that being said there are hecklers towards this idea who will say, well that can't be true because we have an animal from the feline species called a liger (a male lion and female tiger). But this never happened in a natural environment, the liger was only created when these two separate species were put into a controlled environment.

So what about when it comes to humans? There are 70 nations that makes the human population and humans are known to have a mental advantage over animals, right? Right, so it shouldn't be hard to make a sensible decision over an animal. So, does that mean a human would choose to deal with their own kind or to mix and mingle with all kinds of human?

When it comes to humans, we all come from different parts of the earth. When we all are in our specific areas we would repopulate with our own kind, as the felines do in their natural habitation. But when we have two or more different species in a controlled environment, we will see exactly how even a liger came about. Someone had to put them in this environment and make it seem ok for that repopulation to happen outside of their own, because otherwise it wouldn't happen naturally. See the picture?

This is what humans are dealing with on a daily when they are in these major cities across the world. This concept of a person being able to be with someone outside of their own people is the same concept that was used to make a liger. Proving that when dealing in their natural settings both feline and humans would mate with their own kind, it only makes sense.

WHY CUFF FOR A SEASON, WHEN MARRIAGE IS FOREVER?

FOREVER?

WHEN MARRIAGE IS

WHY CUFF FOR A SEASON,

CUFFING SEASON

CUFFING FOREVER

THINGS THAT EACH COME WITH

Usually around the Fall/Winter.

Really wants to be single and promiscuous, but feels obligated to be cuffed

The desire to be a husband/wife and to make the union last forever.

Marriage comes with instructions and isn't based on a personal opinion

When the Spring comes back around they no longer want to be cuffed but back single again

No real love, just everyone using each other for a period of time.

Real love, love that brings two together as one where no separation can happen.

With ones who don't want to be single and promiscuous, but wants a healthy long lasting relationship

CONDITIONAL OR UNCONDITIONAL LOVE?

On one hand conditional love would be love that is subject to one or more conditions or requirements being met; made or granted on certain terms. While on the other hand, unconditional love is not being subject to any conditions; meaning that one should give love and should not expect anything in return.

So which one of these would we be willing to receive and give? Would we feel appreciative if we gave unconditional love to one who wouldn't care if they gave you that back in return? Or would we rather love with conditions guaranteeing we receive love in return?
