NATIONALITY

Nationality is important. Knowing what nation you belong to allows you to embrace the history and culture of that people. Culture is what distinguishes one people from another. That will be by customs, language, art, fashion, food, etc. The Most High gave a Set Apart culture to a people who were low and made them Set Apart. This Set Apart Culture is called Turah. This culture was given to one people to distinguish them from others.

Deuteronomy 7:6 (KJV) For thou [art] an holy people unto YHUH thy Mighty One: YHUH thy Mighty One hath chosen thee to be a special people unto himself, above all people that [are] upon the face of the earth.

In this issue,

Nationality is the status of belonging to a particular nation. So what nation does the Negro belong to? What nation does an African American belong to? (Those are two different places mentioned). The so-called African American has been disconnected from belonging to a particular nation.

The Most High made Adam from the dirt. (Genesis 2:7)

Our people are in a low state at this very moment. Just as Adam was found. The scriptures is the guideline for us to build our spirit, character and moral thinking. Which when properly applied it makes a man. Which is why YAHUAH told Israel that when we apply His Laws, Statutes and Commandments it will be our wisdom and understanding before nations.

The Return to the Dirt

When we threw away our culture, we threw away the ways that made us a great people. (Not saying someone literally threw away a Bible, but we abandoned the application of the words.) We replaced it with things that are worth nothing and that's eventually what we became considered. Nothing.

Deuteronomy 4: 5-6

Deuteronomy 4: 5-6 (KJV) Behold, I have taught you statutes and judgments, even as YAHUAH my Mighty One commanded me, that ye should do so in the land whither ye go to possess it. Keep therefore and do [them]; for this [is] your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation [is] a wise and understanding people.

Up Above When Applied

Deuteronomy 7:6 (KJV) For thou [art] an holy people unto YAHUAH thy Mighty One: YAHUAH thy Mighty One hath chosen thee to be a special people unto himself, above all people that [are] upon the face of the earth.

NO NO I.D. I.D.

How come when a person from another nation comes to America they don't have to attach American to how they identify? If a male from Africa comes over, they identify as African. If a male from China comes, they identify as Chinese and so forth. Why is it they don't have to change their names of how they identify? Because they belong to a particular nation as in the examples previously mentioned.

Black isn't a nationality. Negro isn't a nationality. Neither is African-American. We have been attached to bywords and use them to identify. We have to separate by accepting out true identity as Israelites. Which comes with customs, language, art, food, etc. This is the only way to prove that our way, the Turah, is best for us.
