# Want To Spot The Signs?

*Matthew 24:32-35 (KJV) 32 Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer [is] nigh: 33 So likewise ye, when ye shall see all these things, know that it is near, [even] at the doors.*

How many of us before the knowledge of truth would wonder what could happen in our future? Or how would we know of the great “apocalypse” that every one refers to? We no longer have to wonder on these things because our Master Yahusha has placed these signs before us. He points signs out in detail and let’s us know these things before they happen that we may believe on Him.

The signs that He mentions are these. Matthew 24:4-8 (KJV) 4 And Yahusha answered and said unto them, Take heed that no man deceive you. 5 For many shall come in my name, saying, I am Mashiyach; and shall deceive many. 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all [these things] must come to pass, but the end is not yet. 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. 8 All these [are] the beginning of sorrows.

# Signs Defined

*Matthew 24:6-7 (KJV) 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all [these things] must come to pass, but the end is not yet. 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.*

## PESTILENCE

Yahusha says that there will be pestilences in diverse places. The definition of pestilence is, a fatal epidemic disease. It can also mean that it is contagious, destructive or devastating. Also known as a plague or pest. It can range from mass sickness or having your land overflowed with locusts (or YAHUAH's weapon of choice).

## FAMINE

Yahusha makes mention of famines being in diverse places too. A famine is known as a scarcity of food or a great shortage. There has been previous examples of famines in the scriptures. There has been a famine of food and a famine also of YAHUAH's Word. The great shortage in YAHUAH's Word come from us denying His Ways and going to our own minds.

## THE BEGINNING OF SORROWS

Yahusha has warned us that these signs and the others mentioned will be the beginning of sorrows. The definition of sorrow is a feeling of deep distress. It's caused by loss, disappointment or other misfortune suffered by oneself or others. If we listen and do Yahusha's commandments, this will keep us from the consumption of these warnings.

# Mysterious Earthquakes

*In South Carolina an average of 20 earthquakes happen a year. This is interesting being 16 has happened in a couple of weeks. This examples what Mashiyach said about earthquakes happening in diverse places. Another diverse place that had an earthquake is the western part of Afghanistan. There has been a confirmation that 26 people are dead from this earthquake.*

“

# Famine

*Still in Afghanistan , there are 9 million people at risk of famine. This is not the only place with reports of recent famine warnings. Somalia too is facing famine worries again after 10 years. Being in their third dry season, this is bad news to bear for the crops, animals and people. The irony of this is that they declared the famine during their month of ramadan. These examples prove what YAHUSHA declared about famines in diverse places.*

“

# Pestilences

*We all know of the COVID plague that has been going on. But have you heard of other plagues going on in diverse places as YAHUSHA has said? There has been reports about the bubonic plague attacking Madagascar and D.R. Congo. These are in two diverse place and both are receiving of the same plague. Once again, YAHUSHA has already declared this.*
