Dear Padre

OCTOBER 8, 2017

***I know we're all supposed to use our gifts to glorify God, but what is liturgical dance?
Is it acceptable as part of Mass? Are there rules surrounding it?***

Liturgical dance is dance movement forming a part of official worship. Through it, people in a community express their joy at God's blessings, foreshadowing the joy of heaven.

Dance, in many cultures, is a sign of joy. We dance at weddings, birthday celebrations, and anniversaries. People from both Eastern and Western traditions use dance as a form of expression, and some incorporate it into their religious rites. Jewish worship includes dance on certain feasts, such as the Simhat Torah, where the holy scrolls are part of the sacred movement.

In the United States, the practice of liturgical dance began to grow following Vatican II, but it was not readily accepted. Since dance in Western culture is viewed by some as an expression of love, intimacy, or diversion, the Church's approach is reserved. In 1975, the Vatican repeated this and said that because the Roman rite does not include dance as part of worship, inclusion of dance in liturgy is not appropriate ("The Religious Dance, an Expression of Spiritual Joy," *Notitiae* 11, 202–205).

We see dancing in our parishes and at diocesan celebrations; however, it should occur outside of the liturgy.
