President's Corner

Hi folks,

It seems that we were overdue for a winter and mother-nature surely delivered this week! With that being said, it does not stop us from preparing for this year's spring fishery. A friendly reminder to inspect and send out leaky/damaged waders and dry suits before the rush as spring will be here before we know it!

The tog bite is still going for those willing to brave the elements. I would imagine we have a few weeks left before the boats stay tied up for the rest of winter. You'll most likely be off shore a bit to catch'em this time of year so bring some 8-10 oz. sinkers, your rig rods, and some hand warmers!

Wednesday's meeting will start off with a presentation from Virginia Retting from the Edwin B Forsythe National wildlife refuge. She will be speaking about a few very interesting access plans and current issues regarding some local areas.

A friendly reminder to please pay your dues either through pay pal or by sending a check to the PO Box. Hope to see everyone soon!!!

John Kravchak
