## President's Corner

Greetings,

We are coming up on the month of June, perhaps the best surfcasting month of the spring! Currently there are blues and bass available for most who put the time in both the back bays and the ocean front. Fluke season opened last Friday and they are stacked in most of the popular hot spots! With the summer approaching so are the BSC events, this meeting is the place to be if you want in on the BSC fluke trip. The trip is August 18<sup>th</sup> and the space is limited to 25 so make sure you attend to sign up.

Shark fest will be held July 28<sup>th</sup>, perhaps one of the most heavily attended BSC events, and for good reason! Hopefully the sharks show up for us this year. More info to come.

The picnic is also fast approaching, please look out for a Facebook event to show up soon. When you see it please let us know if you're coming, there will be a tab to click that says you'll be attending. This way we will be able to better manage the food budget and limit both overages and shortages of supplies and goodies for those who attend.

We had the BSC catch and release tournament last week and it was once again a great success, special thanks to Steve Perna and all who helped put it together! Steve will have all the results and the recap at Saturday's meeting. We hope to see everyone there!!!!

Tight lines, John

### 7<sup>th</sup> Annual BSC Sharkfest & Bonfire

Sunday, July 28 IBSP @ A21. 6:00pm to ??

Hold the date for our 7th Annual Sharkfest at IBSP.

Once again the club will be providing food. Using the club's Weber kettle grills we plan to have hot dogs and various sausages (feel free to bring your own additional items to throw on the hot grills). We will have littleneck clams all ready to be put on the grill. Plus various salads, snacks, drinks and all the vital ingredients for smores.

We will also be providing bunker & other baits to be used for sharking.

We will be meeting on the beach in IBSP at A21. For those with a buggy pass drive on up and for those attending who do not have a pass you can park in the lot adjacent to the A21 and follow the path to the beach. Bathrooms are available in the A21 parking lot.

For those interested in shark fishing please bring your largest bait pole, a spike, 3-4oz weights and a shark rig (basic bunker chunking rig but made with wire vs mono).

We have never had an official "guest" policy for this event, but as it has grown over the years we need to address it to make sure the overall expense to the club does not become an issue. As suggested at one of our meetings I will have a "Guest Donation" jar at the event. If you have adult non members guests attend with you please leave a donation in the jar to cover some of the cost. A donation is not required for club members, their immediate family and any children of members or guests.

I have several indispensable helpers.....but are always looking for more assistance. If you can assist before or at the event please let me know.

Any questions please reach out to me at [srperna@aol.com](mailto:srperna@aol.com) or 732.221.0540.

Please come out and enjoy a wonderful night on the beach for the whole family.
