July 16, 2023

Hello Ratepayers,

Tofino Council is hosting a community meeting at the Council Chambers on July 18 at 6 pm to 8 pm. The subject is all things related to Tofino's water system. I hope I don't need to spell out the problems we are facing but if you have no idea, come out and perhaps get educated.

If you are aware of the issues surrounding our water supply, come and offer your opinions.

Whatever Tofino does or does not do there are no doubt implications for everyone in the community involving supply, restriction, action and inaction and of course.... Cost, what you will pay. Uses that will get supported and those that won't. This all has serious short-term and long-term consequences for everyone and the town's future.

Hope to see you there

Jack Gillie
