Re: Need for Directors

Hello friends and fellow ratepayers (167 members and still growing.)

We should be holding an AGM at this time. Last year we had a school room full of members and a good meeting. Given Covid we have decided to pass on that format and deal with it by email.

The only essential business is the election of directors.

Jarmo has moved.

Mike Dauphine has decided to pull back.

The three of, Jack Gillie, Kevin Midgley and Lore Rowland soldier on.

So, the long and short of it is, we need a few volunteers to round out the group that will try and run the Tofino RPA. It is actually a bit of fun now and again. You should try it.

Assuming we get a few people stepping up (3 or 4 would be ideal) we will probably not require an election. If there are more than that offering up your service, we can have an email election once the candidates are known.

Once the group of directors is known they can as a group decide the roles each is to play to satisfy the legal requirements of the association.

Please make yourselves known in the next few days.

I will soon be sending out a separate message on issues and concerns at Town Hall.

Cheers Jack Gillie
