

Tofino Ratepayers Association

December 23, 2023

Hello Ratepayers,

Mark January 8, 2024, 7PM on your calendar.

The Tofino Ratepayers Association will be hosting its Annual General Meeting at the Tofino Community Hall.

We will be discussing the BC Government's recently tabled, Short Term Rental legislation. The good, the bad and the ugly.

We will be looking at Tofino's Water System and upcoming municipal reports.

Is the Sewage Treatment Project on schedule, and on budget?

How will it be paid for?

Pay parking? How has that worked out?

And more about your taxes. Whatever you want to discuss.

Bring your ideas, concerns and perspectives and share them with other RPA members.

Have a great Holiday season and Merry Christmas....See you in January
