*Hernando Beach  
Property Owners  
Association  
Newsletter*

By: **Bobbi Caccamisi**

**SPECIAL NOTE ~ New HBPOA Membership Meeting place:  
Hernando Beach Yacht Club - 4163 Shoal Line Blvd.**

## **PRESIDENT'S MESSAGE**

To kick off our fall season in the Hernando Beach Property Owners Association (HBPOA), I'd like to start with a quote that struck a chord with me.

"For me, life is about being positive and hopeful, choosing to be joyful, choosing to be encouraging, choosing to be empowering." - Billy Porter

Recently, the voices of the misinformed and discontented have taken over so much that you may have read on the "Next Door" app., regarding the HBPOA. Their focus is on what they do not know about your Association so they spin negative. All I can say is "with a grain of salt" add their words to your understanding of what your Association represents, has accomplished, and works to do what you have asked for.

Let our actions speak louder than words. The HBPOA uses your \$35.00 annual membership to pay for electricity, water and maintenance at two iconic Hernando Beach locations – the Dolphin Fountain with the Hernando Beach sign on Hwy. 19 and Osowa Dr. and the infamous Triangle Park greeting our visitors with Shoaly the bear, massive granite tarpon sign and a directional Welcome sign. By working with county officials collegially and professionally, the HBPOA pushed for and got rumble strips at the Triangle to alert drivers that a hazardous turn is coming – no accidents since installation! This year, the HBPOA will work with local businesses and Withlacoochee Power to again, mount joyful holiday lighting along Shoal Line Blvd. Every year it gets better! Want to get involved? Contact me at HBPOA34607@gmail.com.

The HBPOA pushed for and achieved a major milestone with the decom-

Our next meeting  
will be held  
**Thursday,  
Sept. 7th, 2023  
at 7:00pm  
Hernando Beach  
Yacht Club  
4163 Shoal Line Blvd.**  
Doors open at 6:30pm  
to socialize.

~~~~~

**The purpose of  
this organization is  
to unite the  
property owners of  
Hernando Beach.**

Don't miss out on an  
email from HBPOA, add  
HBPOA34607@gmail.com  
as a contact.

(Continued from page 1)

missioning of the sewage treatment plant on Osova Drive. HBPOA coordinated with the Sierra Club and invited your participation in the Uniform Fertilizer Ordinance (UFO) hearings. Your presence was essential to emphasize community support for Hernando County participation joining other counties along the Adventure Coast to address the use of nitrogen and phosphorus fertilizers. Restricting their use during the rainy seasons will limit the negative impact on our drinking and coastal water quality by red tide and algae blooms.

You have asked for a walkable/bikeable community. This has been a safety driven focus of the HBPOA. We have advocated for and emphasized safety first improvements with the county. Recognizing the need for a safe way to cross Shoal Line from his parking area, a local restaurateur funded his own crosswalk. A recent Variance request by a local business was approved by the Board of County Commissioners. They added the requirement to install a crosswalk on Shoal Line Blvd., and install a sidewalk on the East side of Shoal Line Blvd. The HBPOA is a vocal proponent for crosswalks and coastal friendly lighting to improve walking and biking safety for our residents. Your support, membership and positive input make all this possible.

Let's review just a sample of what the HBPOA did in 2023.

To kick the year off, our January guest speaker was Lilly Browning. She is the Florida friendly Landscaping Program Coordinator with the Hernando County Utilities Department in the Water Conservation Department. Her presentation addressed Principle Number 9 – "Protect the Waterfront" and how Hernando Beach residents can help prevent red tide, algae blooms and keep our water quality high for the dolphins, manatees, rays and fish we share our canals with.

For February, Mr. Chris Linsbeck was our guest speaker. He is the Hernando County Community Services Director. As the Director he plans, develops, and manages the Community Services Departments of Hernando County. The departments are Parks and Recreation, Library Ser-

# iTrip-Palm Harbor

A full service short-term property management company serving Palm Harbor, Tarpon Springs, Holiday, Hudson, New Port Richey, Spring Hill, Hernando Beach, Pine Island, and Weeki Wachee.

## RESULTS FOR HOMEOWNERS/INVESTORS:

- Most owners see up to 25% more revenue their first year versus when self managing.
- Data shows iTrip properties perform 2.5x higher than our closest competitor, and each booking generates more revenue per booking.
- Properties are listed on 85-plus channel sites. Not just AirBNB and VRBO. We're a VRBO Elite Partner in Software.
- iTrip spends millions of dollars in advertising, but we manage locally. I'm a Veteran-owned rental property management company, and I answer the phone when you call, not a call-center in another state.
- I give owners more money, more attention, and more of their time back.

vices, Animals services, Veterans Services, and County Extensions. His presentation covered almost all 24 Parks in Hernando County with a special focus on our coastal parks experiencing high demand. He addressed how do we and the county can protect our recreation areas such as the Weeki Wachee River and Withlacoochee Preserve while enabling passive recreation without degradation.

Our March guest speaker was Carmen Bruno who directs the solid waste management and recycling program for Hernando County. Mr. Bruno had a fantastic presentation and his quick wit added to our enjoyment of what he had to say answering our questions and describing how we can help with recycling and trash management.

The April guest speaker was Mr. Frank McCabe. Mr. McCabe is the Hernando County Code Enforcement Supervisor. Mr. McCabe's presentation with a Q & A was the perfect forum for our membership questions. He noted that with 200,000 plus residents in Hernando County, he has a staff of five – one code enforcer per district (the two extras are water restriction enforcers) for a total of seven.

Our May guest speaker was Chief Paul Hasenmeier, the Public Safety Director/ Fire Chief for Hernando County Fire and Rescue. The Chief said his mission is to maintain a fire department capable of sending one of several focused response teams in response to emergencies that require specialized capabilities to save lives and property. He is also charged with maintaining an Emergency Management capability with the required experts and professionals providing Disaster Planning, Disaster Response and Disaster Recovery. He provided great support for our new Hernando Beach Fire Station.

In June, Gordon Onderdonk was our guest speaker. He is the Director of Utilities for Hernando County. He shared the Hernando County plan to preserve and protect our water supply in our coastal region, planned pipeline upgrades and improvements to Hernando Beach pumping stations. And we learned that “no – there is no

such thing as flushable” wipes.

This September we do not have a speaker but our guest advertiser/business spotlight is on Lady Lake Duct Cleaning with Buck Buchanan to describe what his service does and its benefits.

I look forward to seeing all of our members who can make it to our September 7<sup>th</sup> Cookout! We'll have hamburgers, hotdogs and all the fixings. Your HBPOA Board will provide dessert. All we ask of you is to bring a side dish to share with your neighbors and enjoy the fellowship. Please RSVP to [HBPOA34607@gmail.com](mailto:HBPOA34607@gmail.com) and let us know how many attending and what you're bringing. We'll have a cornhole tournament on the lower level starting at 5:30pm with food available upstairs at after 6pm. We'll have a short membership meeting to discuss our fall activities and events at 7pm. See you there! We're going to have a great fall season.

Bill Roberts – President, Love where you live – Hernando Beach.

## HOSPITALITY COMMITTEE

Hello Hernando Beach,

Summer is coming to a close and it's time again for our property owners to **“THINK HERNANDO BEACH.”**

The Hernando Beach Property Owners Association is for you. We hope when we begin our after summer meeting on September 7th at 7:00 PM, we fill the room at the Hernando Beach Yacht Club. Prior to our meeting, there will be a Welcome Back BBQ beginning at 5:30 PM.

We have seen much housing construction in our area. We know that new folks will be looking to meet new neighbors, make new friendships, and be searching to find the right fit for their family's recreational needs. HBPOA can help. We will try to point you in the right direction. If you are concerned about the effects of Hernando County Government decisions on our community, we have a Government Affairs Committee (GAC) and those members will be happy to answer your

Hernando Beach Marina is an all inclusive FULL SERVICE marina with mechanical/boat maintenance, ship store, boat rentals and bottom painting. We have the most reliable High/Dry with two forklifts and Wet Slips available for rent and transients.

In search of great seafood to put in their mouth

They arrive before Winter and stay until Spring  
Their clothes and a toothbrush is all that they bring

They call upon us to find them a home  
Where all is included except for a phone

More Snowbirds are coming this season than last  
So we need more rentals and we need them fast

Please lend us your home so the Snowbirds can stay  
November thru April, for this they will pay

Just email or text or give us a ring  
Your kindness will surely make all Snowbirds sing

### US COAST GUARD AUXILIARY SUDDENLY IN COMMAND

The captain becomes incapacitated or falls overboard; you purchase a new boat for the first time. You are ***Suddenly in Command***. This boating safety primer is designed for those not generally at the helm, and will help you to be prepared with the basics in case of an emergency.

You will learn about your vessel, nomenclature, and operating principles such as starting the engine, basic boat handling, and your on board equipment. Included descriptions of what causes boating mishaps and how to minimize them. This course is a must for family members in case something happens to the boat operator.

### ABOUT WEEKI WACHEE PRESERVE

The Weekiwachee Preserve is part of a regional system of conservation lands that extend up to Crystal River Buffer Preserve, preserving the southernmost coastal hardwood hammock in western Florida. The preserve provides a rich mosaic of habitats including several miles of Weeki Wachee River frontage, portions of the Mud River, dense hardwood swamps, freshwater and saltwater marshes, and pine-covered sandhills. The preserve is best known for its Florida black bear population. The bears are shy, elusive and pose no threat to people, spending most of their time deep in the forest.

Public ownership protects the wetlands' natural functions of conveying spring water to the gulf, cleansing surface water and providing flood protection, as well as buffering nearby residential communities from tropical storms.

### Recreational Opportunities

#### Bicycling

- Approximately 5.5 miles of bicycling on paved and unpaved trails.
- Bicyclists are required to stay on designated or marked trails.
- Florida law requires bicyclists under 16 to

wear helmets.

## Bird Watching

- (Bird Watching) Site located on west section of Great Florida Birding and Wildlife Trail.
- Contact Florida Fish and Wildlife Conservation Commission (FWC) for more information.

## Boating

- Lakes open to hand-launched boats, canoes and kayaks.
- Electric trolling motors allowed.
- Gas-powered outboards not allowed.
- Use caution launching boats — banks can be unstable. Do not back vehicles or trailers onto bank.
- Boats must be carried to the lake — there is no boat ramp.

## Fishing

- Numerous lakes inhabited by both freshwater and saltwater species. Caution:

banks can be unstable.

- Contact FWC for license requirements.

## Hiking

- Approximately 5.5-miles of paved and unpaved trails.
- 4.3 miles of marked, scenic woods roads.

## Hunting

- Contact FWC for information regarding license requirements and permits.
- FWC rules and regulations must be observed throughout the year.

## Picnic Facilities

- Limited picnic facilities in park.

## Access and Parking

- Access from Osowaw Boulevard.
- On second and fourth Saturday of each month, visitors may drive into preserve through the Osowaw Boulevard entrance and park at end of paved road.

*(Continued from page 15)*

## Limited Access Areas

- No swimming allowed in any of the lakes. Boats are not allowed on the lakes in this area, but bank fishing is permitted. Visitors are asked to take special care in this sensitive area as it has become a significant bird roosting site. Hundreds of wading birds roost here every night and some nesting activity has been observed.
- Hernando County Trespass Authorization

## Restrooms and Water

- ADA accessible portable toilet available. No water available.

## Location

- Hernando County coast, west of Weeki Wachee

## US COAST GUARD AUXILIARY BOAT AMERICA

**Boat America** is a boating certificate class that offers an in-depth and interesting boating safety course, and provides the knowledge needed to obtain a boating certificate.

Some insurance companies will also offer discounts on boating insurance to boaters who successfully complete this course.

### TOPICS INCLUDE

- **Introduction to Boating** – Types of power boats, boating vocabulary, sailboats, paddle boats, powering boats, and engine types.
- **Boating Law** – Boat registration, regulations, hull identification numbers, required safety equipment, Federal boating law, state boating law, and reporting accidents.
- **Safety Equipment** – Life jackets, fire extinguishers, sound-producing devices, visual distress signals, anchors, and other safety equipment.
- **Safe Operation and Navigation** – Buoys and beacons, aids to navigation, navigation rules, docking, and the dangers of alcohol on the water.
- **Boating Emergencies** – Hypothermia, boating

accidents, man overboard, capsizing, emergency radio calls, carbon monoxide dangers, and weather.

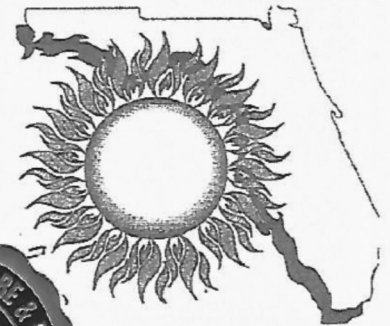

- **Trailing** – Types of trailers, lights, hitches, towing a trailer.
- **Sports and Boating** – Water-skiing, hunting and hunting gear, PWC operation, and other boating tips.

## HOSPITAL HOLE

### Location:

Hospital Hole (aka Fish Hospital) is in a sharp bend of the Weeki Wachee River 1,000 feet upstream from State Hwy 595 bridge.

### Description:

For some unknown reason, this is one of my favorite dive sites. The hole itself is in the third bend south of Roger's Park on the Weeki Wachee River. The name comes from local legend where it is told that injured fish come to this site to be healed before returning to the sea. Access is restricted from land due to private homes, but one can easily canoe or even walk upriver from the park to the dive site. Roger's Park is open year round with a boat dock and launch ramp, but there is a \$2 park fee ( per vehicle) during daylight hours in the summer. The main hole is about 150 ft in diameter and reaches a depth of 135-140 feet. There are several solution tubes in the overhangs along the south and southwest wall. One of the tubes goes to the surface, but the others, while large enough for a diver to enter, are blocked at the top (around 20 ft). Water from the spring flowed through these tubes long ago before the ceiling of the cavern collapsed (now the main sink). There are a few flowing springs coming from the wall around 70 feet, just above the hydrogen sulfide layer. Between 70 and 80 feet there is a thick cloud like layer of hydrogen sulfide that blocks most light below it. Below the layer, whose depth fluctuates with the tide, visibility is usually very good. There is a small john boat on the bottom around 135 feet. There is not much of interest away from the boat until you get to the walls. Graffiti from divers over the past decade written into the walls adds to the fun of the dive. The shape of the sink itself is like a small boot with no passage or major overhangs observed yet. The ceiling gently slopes upward towards the opening. This site is great for any open water diver, although only those who are cavern certified should attempt to go below the cloud layer, even during daylight hours, as the low light, foul smell, and high silt can be challenging to those without depth experience.

For more information please visit the following

## THE LEGEND OF HOSPITAL HOLE

*In the Weeki Wachee River is a 140 ft deep hole, sick & wounded fish come to these strange, healing waters to recover and return to the sea.*

This pencil sketch is by Mr. Hart who lived on Mullet Canal off the Weeki Wachee River.
