Stay Safe

We don't like harming people or the environment so our products are not hazardous when they are diluted.

When you are handling the concentrate please make sure you:

- Store them in a dry area with the tabs inside the packets
- Only handle the tabs with dry hands
- Don't handle any damaged tabs
- Follow the safety data sheet
- Keep them out of the reach of children
- Avoid the concentrated powder making contact with your eyes or skin
- Follow the colour code

Always match the bottle to the packet to make sure you have the correct tab type and colour.
