# Guide to Republic Services' All-in-One Recycling™

We'll handle it from here.™

We'll handle it from here.™

## DO

- ✓ Rinse plastic containers, steel and tin cans to remove liquid and food, then dry; this will help avoid attracting flies and other pests.
- ✓ Leave lids on if they are made of recyclable materials.
- ✓ Break down or cut up large cardboard boxes before placing in container. This prevents material from wedging inside the container, restricting contents from being disposed.
- ✓ Place junk mail or loose papers in brown paper bags.
- ✓ Ensure recyclable are clean and dry.
- ✓ Deliver large pieces of cardboard that do not fit into your recycling container to your nearest drop off recycling bin.

## DON'T

- ✗ Stack items on or near containers.
- ✗ Leave inserts in chipboard boxes.
- ✗ Use your recycling container for garbage.
