

# CUSTOMIZABLE LISTING PRESENTATION

## How-To Guide

When you click the [Listing Presentation Button at SeaCoastTools.com](#), you will see this screen .  
Download the file by clicking the arrow-and-line icon indicated in the image below.

- ✓Keep your presentation short, and to the point.
- ✓Select only relevant slides.
- ✓Keep your client engaged by asking questions, making eye contact, and never reading directly from the slides
- ✓**Practice, practice, practice!**
