# POTTERY EXPRESS

Pottery Express is a direct importer of fine pottery from Mexico, Spain and several Asian countries. Our designer team travels to Vietnam to work with several highly qualified factories that keep up with current trends. Our factories produce beautiful and well crafted pottery that leads the industry in design and color.

Pottery Express imports pottery to its warehouse in Punta Gorda, Florida. We ship our pottery from this location, to our customers throughout the United States as well as other countries. Our customers are garden centers, nurseries and gift shops.

# POTTERY *EXPRESS*

Shopping from our catalog is great, but you are welcome to come to our beautifully landscaped property. We have a huge inventory of Mexican Talavera ceramics and pottery from Vietnam and Spain. Our pottery is hand made and painted from family owned factories then imported to our tropical oasis in Punta Gorda, Florida. We also grow and sell beautiful tropical clumping bamboo.
