

# FUNDRAISE THROUGH CONCESSIONS

SIGN UP + SHOW UP = RAISE \$

ADULTS & STUDENTS WELCOME

*Hockinson High School AAA Boosters is committed to fundraising for our students through concessions while offering hospitality to our spectators & honoring our volunteers.*

*Concession profit sharing will be based on hours worked throughout the school year and profits will go directly to the sport, club or activity of your choosing. HHS AAA Booster Club organizes and supports concessions and helps your program bring in profits.*

## Volunteer Snack Shack and Concession Sign-Up Details:

- Visit the SignUp Genius Link: A simple online volunteer management system listing home games/events, dates, times, email reminders for current sport season: Fall, Winter, Spring. Please use this link to share with team parents & friends:
- Both the indoor snack shack and outdoor concessions will be fully stocked and well organized. iPads with POS system and square are now available for swift check out, order accuracy, and processing credit/debit cards. A quick training “how to” given to all volunteers. No experience necessary. Show up, smile & serve.
- This is an annual program. Hours worked will be tracked and net profits will be shared & disbursed to your team(s) of choice at the end of the 2023-2024 sport seasons. Over \$19,000 (\$28.95 per hour) was disbursed to groups in 2022-23.
- If all volunteer spots are not filled 48 hours before event start, it will result in the snack shack and concession stand closures and lost profits. Please sign up and help us fill the spots, raise monies for the student programs and help up ‘Feed the Fans’.
