Sept. 10, 11, 12 7:30 PM	Stage musical production	"What About Dan?!" is directed by Dan Neubauer with Music Direction by Dan Crenshaw, Choreography by Samantha Burris and Stage Management by Tyler Dahl. This musical comedy is set during the depression in the mythical town of Kalamity Flats. The Robert Ragsdale Theater is in financial ruin and the richest man in town is looking to buy it on the cheap and make it into a shopping center. Dan Bauer steps up and refuses to allow this to happen. Sure, he may be an unsavory alcoholic... well you get the idea. He is allowed to proceed, because no one has faith in him. Through sheer luck and fate, he puts together a radio show to raise funds. Featuring songs of a bygone era like "It Had To Be You" and "Fascinating Rhythm". The attendance is not enough, then the telephone starts ringing and donations come in. Still the amount is short.
