

2024 Stockton Metropolitan Airport Tri-Annual Emergency Exercise

We need your help! Every three years, the Stockton Metropolitan Airport must conduct an emergency exercise in accordance with FAA Regulations. This event is being coordinated by the San Joaquin County Department of Aviation. To make the exercise as realistic as possible, we need volunteers to participate and act as victims and family members.

- Lunch will be provided.
- Plan on being on site at the Airport for 4 hours.
- Plan on attending an orientation meeting prior to the tri-annual exercise. Exact date TBD.
- All participants must sign a waiver prior to the event.
- Have fun.

This is a unique experience that will create a lifelong memory!

Event Date 4/24/24

Time: 10:00am – 2:00pm

Location: 5000 S. Airport Way Stockton CA, 95206
