Committee Reports:

Hospital & Institution Report:

We received a May Communications Report from Matt via Email. He explained that he has been involved with his daughter's soccer games this spring and would be willing to pass along the position.

The last Saturday of the month commitment at Mountain Manor is being fulfilled.

The Wednesday Innovo commitments are being fulfilled.

Matt was informed by Brite Life that all Thursdays have not been covered. We have a list of the commitments and all but the 5th Thursday (if there are 5 Thursdays) were taken. We will need to contact the group reps regarding coverage.

Intergroup Communications:

We received a May Communications report from LeeAnn via Email. She let us know that she will miss June's meeting also as she will be traveling. . LeeAnn is continuing to revise the meeting information as she receives them. In trying to update the Meeting Guide app, LeeAnn sent several emails to District requesting changes. She also informed them that the email address listed on the app was for District and not for Intergroup. They replied and apologized that they had a new person on the job and that they would make the changes. LeeAnn will verify the changes when she returns and update everything in the June report.

Activities and Upcoming Events:

All money collected at the spring breakfast was donated to the Church. All money collected from the Hanover Group meeting was also donated to the Church. We briefly talked about having a picnic over the summer in July or August.

All committee reports were approved.

Old Business:

No Old Business to report.

New Business:

Michelle brought up whether we should keep the Brite Life commitment since they are now bringing patients out to meetings in Hanover. After some discussion, it was agreed that we will keep that commitment. We need to check the schedule we have to see who goes when and who to contact. Samuel suggested that each group having a commitment should have a Rep. If the Rep chooses, they may have a committee. We still need an activities rep and will start looking for an H&I rep. Michael will look into registering us with the GSO. We went over the questioner. And we talked about what the Prudent reserve is used for and if \$500 is enough. It mainly covers our activities (picnics, breakfasts, alcathons etc). We decided that \$500 in prudent reserve is good for now. We also discovered that we do not pay rent to ODAT to hold our meetings there.

The meeting adjourned at 11:33 and concluded with The Lord's Prayer.
