**Personal:** Enjoys traveling, and exploring new places. Love to climb mountains and discover the beauty of nature.

John took a Bachelor of Science in Computer science and Information Technology and is very passionate about learning new technology, CRM and systems.

VIRTUAL BUSINESS IS NOT MY PROFESSION,  
*it's also my passion.*

# CORE VALUES

## *My Commitment to You*

01

### **UNCOMPROMISED INTEGRITY**

Honesty and fairness. I will always do the right thing.

PEOPLE BEFORE THINGS.

02

### **INNOVATION**

Committed to continuous growth. I focus on adaptation to new & effective methods and technologies to be serve my clients and my community at any time.

03

### **VALUE PEOPLE**

Like family, I will treat ALL people with courtesy, dignity, and respect.

04

### **COMMUNICATION**

I communicate with clarity, concision, confidence and full transparency while actively listening with an open mind.

05

### **DEPENDABILITY**

My focus is to build reliable and lifelong relationships with my clients. We work tirelessly and have your best interests at heart.
