September 2022

Welcome back Sorors!

Message from the President

It is September already and I know that we are fired up and ready to continue the work of Iota. I write **“continue”**, because many Sorors have been working throughout the summer to get us ready for the new Sorority year.

A dozen Iota roses to Sorors Dwala Brown, Nona Fisher, Daphne Hornbuckle, Vahnita Loud and Juanda Wallace! These Past Chapter Presidents wanted to make sure that Psi Chapter’s two Vice Presidents; Wonda Traylor and Mary Ann Collier; and I start the sorority year off with plenty of leadership training. They conducted the leadership session, **“LEAD. BUILD. GROW.”**, for the current Presidents on Saturday, August 20, 2022. We were equipped with plenty of information, tools, and gifts to motivate us to be GREAT leaders for our chapter. Thank you for leading, guiding and offering to mentor all of us!

The first Executive Committee meeting for the 2022-2023 Sorority year was held to plan, brainstorm, and fellowship. The Executive Committee came up with lots of ideas for the new Sorority year, so Psi Chapter get ready!

Iota Roses to Psi Chapter’s Dean of Intake, Soror Collette Jones, and the Membership Committee for **“Rounding Up Sorors in a Hurry.”** The Informational session and the Chat and Chew program in July and August were fantastic. Judging by these two events, I can already tell that our membership will be growing. We are serious about helping our

National President reach her membership goal of 2000 members before 2029.

Psi Chapter thank you for trusting me to be your President. I want to be a servant **leader**, in other words, I plan to place the interests and needs of our chapter and members ahead of my own needs. I will be authentic, trustworthy, approachable and I will always value the development of our members and Sorority. Let us unite in harmony and unity, stay committed and always follow the Christian values of the Sorority.

Our theme this year is “Business and Professional Women Empowering Others by Reflecting on Our Accomplishments, Upholding Our Legacy, and Celebrating What Is To Come! ”

Sorors, let us get started by “Empowering each other”, “Achieving the extraordinary”, and “Building the foundation for generational financial empowerment.”

*Blessings,
Soror Beverly Moore

ROBERTS'S RULES OF ORDER
 SUBMITTED BY
SOROR NONA FISHER, PRP

What Does Robert Say?

P.R.N. – Parliamentary Rules Noted
 The Parliamentarians of Psi

What Does Each Member Need to Know About Motions?

The National Association of Parliamentarians (NAP) has developed what is known as the NAP Body of Knowledge. It describes what Members, Leaders, and Parliamentary Consultants should know and be able to do to participate in or facilitate effective meetings.

For members, it defines what should be known and the skills required concerning Meetings, Motions and Rules.

For **Motions**, a member should know:

- The purpose and effect of the following motions: amend, refer, postpone, limit and extend the limits of debate, previous question, request for information, reconsider, and rescind, and amend something previously adopted.
- Common forms of amendment, including the motions to add, to insert, to strike out, and to strike out and insert words.
- The distinction between primary and secondary amendments.
- Common methods of appointing or electing committees.
- Basic committee procedure, including the role of the chairman, rules of debate in committees, and the manner in which a committee reports.
- Limitations on renewing a motion at the same meeting.
- The purpose and effect of giving previous notice of a motion.

For **Motions**, a member should be able to:

- Draft a primary amendment that is germane to a main motion.
- Move, in proper form, the motions to amend, refer, postpone, limit and extend limits of debate, previous question, request for information, reconsider, and rescind or amend something previously adopted.
- State, for each motion listed above, whether it is debatable, and the vote required for its adoption.
- Given two ranking motions from those listed above, determine which takes precedence over the other.
- Present a committee report containing a recommendation.

REMEMBERING 9-11

Psi Chapter of Iota Phi Lambda Sorority, Inc.

Remember 9-11, Never Forget -9.11.01-

The **September 11 attacks**, commonly known as **9/11**,^[c] were four coordinated suicide terrorist attacks carried out by the militant Islamic extremist network al-Qaeda^[3]^{[4][5]} against the United States. On the morning of Tuesday, September 11, 2001, nineteen terrorists—directed by al Qaeda leader Osama bin Laden—hijacked four commercial airliners mid-flight while traveling from the northeastern U.S. to California. The attackers were organized into three groups of five members and one group of four, with each group including one designated flight-trained hijacker who took control of the aircraft. Their goal was to crash the planes into prominent American buildings, inflicting mass casualties and major structural damage. The hijackers successfully crashed the first two planes into the North and South Towers of the World Trade Center in New York City, and the third plane into the Pentagon in Arlington, Virginia. The fourth plane was intended to hit a federal government building^[q] in Washington, D.C., but instead crashed down in a field outside Shanksville, Pennsylvania, following a passenger revolt that foiled the attack.^[6]
