AQUA SKIERS

+ Partnership Guide

Who are we?

The Wisconsin Rapids Aqua Skiers Show Ski Team has been providing free family entertainment in the Wood and Portage County area for more than 50 years. Our weekly shows are held at Red Sands Beach, Lake Wazeecha, and we practice at both the lake and our home site on the Wisconsin River.

Every year, the Aqua Skiers host the world's largest water ski show tournament, held at Lake Wazeecha on the third full weekend of July. Clubs from all over Wisconsin come to participate, bringing their families and friends. Last year, this event brought in over **\$3.8 million** of revenue to our local community.

How will you benefit from partnering with the team?

We are a very active club – not only in the Wisconsin Rapids/Stevens Point area but also in other regions of the state, allowing us to promote our partners to tens of thousands of people every season. The Aqua Skiers are a non-profit water ski organization and are 501(c)(3) tax exempt, so your donation is tax deductible.

What will happen with the money donated?

Because we are a non-profit organization, our club survives on donations and our partners' generous contributions. The money we receive helps our team continue to provide free, family-friendly entertainment and athletic opportunities for anyone wanting to learn how to ski. It also ensures that our ski equipment is kept in good condition and up to standard, our boats are maintained and have gasoline, props and costumes are available for our show, our emergency medical supplies and training are up to date, and much more.

Your partnership helps offset these expenses, allowing us to continue running this amazing organization and bringing free, high-quality family entertainment to the Central Wisconsin area. If you would like to become one of our team partners or place an advertisement on our program posters, please review the information included with this letter.

Thank you! We appreciate your support and look forward to working with you!
