AQUA SKIERS

Join the Team!

Who are we?

We are the Wisconsin Rapids Aqua Skiers Show Team! Our organization has been giving local families the opportunity to spend time together on the water for over 50 years. Throughout the summer, the team puts on weekly shows that are held at Red Sands Beach on Lake Wazeecha. The team also hosts the world's largest and longest running water ski show tournament every summer! In 2024, the tournament will take place July 18-21 at Lake Wazeecha and is **FREE to the public!**

Fun for the Individual or Entire Family!

Whether joining as an individual or family, we offer the unique opportunity for your entire family to be involved and perform together on the water! You will make lifelong memories and form new friendships that can last a lifetime! There is a spot for everyone on the team! No experience or equipment is needed to participate. We have certified instructors and veteran team members ready to teach!
