You may be aware that there is currently some work being undertaken at the old softball building. This is the installation of a new switchboard being undertaken by Mark Bull Electrical. Please be mindful of the help being undertaken in this area and please stay clear. This work is Stage 1 of the lighting project, with trenching expected to commence at the end of September.

Another great night at Kele Park is planned with our Trivia Night. Get your team together and be in the running for some great prizes. The entertainment will start from around 6:30pm and there will be food available from the canteen.

All the best to our teams today.

A Word from the Coach: Women

We are heading into the end of the second round of games and this week is as important as it gets. With finals edging closer we need to keep looking for those passages of play that make us a real end to end combination. The last couple of games have showed we are nearly there. A three point loss was followed by a frustrating day against BITS. There has certainly been some improvement by lots of players and we are playing games out for four quarters. Our effort is unquestioned so we just need to add the finishing touches.

A massive thank you to Kellie after her huge effort against BITS, if our players thought they had it tough, spare a thought for what a tough day Kellie had. I think one day she deserves the Mug. Thank you Kellie. Fortunately for Kellie she did get to go to the Gabba to watch Tim O'Brien play, bit jealous.

A big shout out to two of the Sister's finest with Taivia and Pam heading to the Gold Coast to take on South Queensland in the inaugural NQ versus SQ clash. Pam was Team Manager and Taivia roamed the backline repelling many SQ forward forays. Great to see NQ come out on top after an even start to the game. All the Capricornia girls went well so it reflected well on the standard of our competition. Well done girls.

GO SISTERS!!!!

OPTUS FAMILY DAY

More than 130 people attended our Family Day last Tuesday at Kele Park. There were plenty of high fives on offer from Rusty Roo, and the kids loved the free gelato and sausage sizzle!

The electronic scoreboard played some exclusive footage from Friday Night footy, with a great backing soundtrack!

A massive thank you to Dave at Optus, David & Kerrie at McHugh's Pies and David at Gelatissimo for their generous donations—everyone had a fantastic time; we can't wait for 2023!

IMPROVEMENT WORKS

Rockhampton Regional Council and Mark Bull Electrical have commenced the switchboard upgrade to cater for our new lights! It is important for players and supporters to not to enter the area.

We expect the off-field trenching to commence in late September. The conduits and pits have arrived, with the lights and poles to be onsite in the next 4-6 weeks.

A Word from the Coach: Reserves

I hope everyone enjoyed the break; while the weather was ordinary, it gave us a chance to rest and recuperate.

A quick note on the last two games, a fantastic win against Glenmore, a great effort by all and a big thanks to those who returned to the club and those who found the time to play between league games—it was a great team effort all round.

Last week against BITS was always going to be tough but the boys put up a fantastic effort, just falling short. Once again, thanks to those who doubled up.

This week against Gladstone brings a great opportunity. It will be wet and muddy, beautiful conditions for football, I say! Let's get in, have a red hot go and enjoy the day and hopefully get the win.

Go Roos!

GREAT WORK, TAIIV!

Women's player Taivia Dunne played in the inaugural NQ v SQ Women's match. She gave her all and the girls got the win!

Well done, ladies, on getting the win!

A Word from the Coach: Under 13.5s

This week it is our first look at a very consistent Gladstone team. The team as well as the coaching brigade are keen to see how we match up with the Suns. This week we look forward to having Eden Hollier back however we lose the Edwards Clan in Harry and Gabby both have been super consistent this year.

Last week it was great to take the win on the road in Boyne. The most pleasing aspect was the ability for players to adapt to different positions through the game.

After being jumped early the team mustered well and we came home with a ten-point win. The game was in the balance until the final seconds.

Rory Bruigom, Leon Black, Heath Hlinak and Noah White, just to name a few, were all moved to unfamiliar positions and both accepted and worked hard in these positions. Without this strong attitude we would have never worked our way back into the game and eventually take the win. THAT IS WHAT GOOD TEAMS DO!

When your team sits on top of the ladder it means that you have a spread of hard working talented players. A big shout out to the girls in our team. Gabby Edwards and Jess Large have been outstanding all year and have grown with the team. Last week we finally were able to see Jayleah Dempsy play and Jayleah didn't let us down. A great game. Once Keely Neven recovers from her broken foot all four girls will be key in our success.

Go Lions!

Reserve Grade

Without question it's been a very tough year for Reserve Grade. With injuries, retirements and COVID complications it has been a challenge for coach Michael Moore to even put a team on the park let alone taste victory. With all these complications it was fantastic to see the Roos put up arguably their best performance of the season against BITS away before the school holiday break.

The Roos got out to a flying start kicking four majors in the first quarter. Gradually the home side managed to chip away at the margin, eventually running away with the game by 26 points. Thomas Aboud kicked 2 goals for Brothers and Nathan White who has spent a number of years not playing kicked a goal in an emotionally charged return.

Best players for Brothers were John McDonald, Chester McDonald the evergreen Mickey Jeffrey Thomas Aboud and Simon Hope.

The Roos are searching for another victory and will be looking to do so this weekend against the Suns on what could be a Kele Park quagmire with recent rain.

From Piggy's Pen

A Grade

The arduous trip to Boyne Island is one of the most feared road trips in country football. Despite the fact that BITS aren't the powerhouse of years gone by they still were always going to provide a formidable challenge for the young and developing Roos in search of their second victory of the season and so it proved with the home side running away with an 11 goal victory.

Despite the comprehensive defeat it wasn't all doom and gloom for Brothers. A three goal second quarter showed that they can compete. The challenge is how can they get this to be sustained over a longer period?

Coach Jarrod Donovan who has battled injuries this season was back to his brilliant best with a best on ground performance. The future is bright with excellent performances by Cody Brown, Blayze Chalson and Thomas Hutchieson who is proving to be a terrific target for the Roos despite his relative senior inexperience. James Richardson continued his terrific year and veteran Jay Humphries tried his best all day to repel the attacking thrusts of the Saints.

This weekend we are back at home against Gladstone. The Suns have showed terrific improvement this season; however, being at home the Kangaroos will be hoping that they can get a result.

OPTUS

Welcome, Simon!

The Roos farewelled Coach Joycey at the end of Round 9. Geoff and his family, moved to Brisbane, and Zac (Under 15.5s) has started with his new club, Coorparoo AFC.

Joining the coaching team for our Under 15.5s is Simon Price. Simon is an experienced AFL player, training with the Brisbane Lions and playing with some premier Brisbane teams in his late teens and 20s. He entered the Senior ranks of the Roos in the late 90s.

Simon's son, Bailey, is part of the Under 15.5s team, so a wonderful family connection!

Simon and his wife Tash, are the proud owners of Vibe Fitness Studios in Rockhampton, and are advocates for living a well-rounded and healthy lifestyle.

Although we are well into Season 2022, Simon will no doubt have a fantastic impact on our young men.

Thank you, Simon, for undertaking this role and mentoring our Under 15.5s.

A Word from the Coach: Under 17.5s

Our journey down to BITS will be a day that the players and supporters will remember for sometime! We always knew how tough an assignment and we ended up 1 point shy of what would have been an amazing win (72-71). I am writing this less than 24 hrs later, and I am still feeling the emotions of that game. *Ahhh footy!* I said to the boys after the game, despite their disappointment, we had our chance in those final minutes and we need to take stock of the things we can control and be disciplined, and win those games that are in the balance. Some tough life lessons, but hopefully the word will spread in the club, that if you want to watch some good football games, hang around for the u17s!

Some observations from the day. This loss hurt alot, and as a coach I love that it meant so much for the players, they are very committed and invested in 2022! and that's all I have ever asked, get the most out of yourself (training and game day). If a player can look themselves in the mirror and say, I gave it my 100% - then they and we can only smile and be proud. The score is irrelevant, because there will always be better opposition some days. If you feel you could have done more or better, then you will learn and next time dig deeper. Kicks goes a foot the other way and we get a goal rather than a point or hit the post, we are the happiest team in the southern hemisphere.

Continued over.

Goodlife.

A Word from the Coach: Under 17.5s

Continued from previous page

Our efforts at training are improving this squad, and we should be very proud. Every minute was played with finals intensity and every minute counted.

I am also impressed by the leadership of players; Tom Hutch is very invested in all his teammates, trains and plays with high intensity and it is obvious that he has earned the respect of the players. To the other leaders in the group that have stepped up, thank you. I am incredible proud of the team.

I have a request of Roos supporters. The AFL has a very strong stance on umpire dissent by players. Games can sometimes generate an emotive atmosphere which makes it difficult for players to not be drawn in by what they hear on the sidelines. We must display the same level of self control that we and the league expect of the young men out there giving it their all. Remember it is the player that gets punished and wears the consequences of crowd and coach's box behaviour.

Cheers

Ian Hutchieson

The Kangaroos logo is a circular emblem with a white background. It features a stylized kangaroo head in profile, facing right, with blue outlines. Below the head, the word 'KANGAROOS' is written in a bold, blue, sans-serif font. Underneath that, in a smaller blue font, is 'Brothers Australian Football Club'. At the bottom of the circle, it says 'EST. 1981'. The logo is set against a blue background.
