PRESIDENT'S MESSAGE

Welcome back to Kele Park and our last home game of the year.

Today, we celebrate the Tony Clifford Memorial Day (TC Day), the bringing together of family and friends to honour past and present Roos. We also honour everyone who has been a part of the club and remember those who are no longer with us. What makes a club are the people involved and great people make a great club.

This year is extra special, being the 40th anniversary and tonight we will announce the teams of the decade for both the senior women and senior men's.

Thank you again to all our great sponsors and supporters, who make running a club possible. Without your support, it would be difficult to support players and parents, continually improve our facilities and grow the game of footy locally. The money raised has led to new lighting at the ground which will commence in late September. This has been a long time coming for the club and has been made more difficult with raising costs. In addition to new lights, the club is making more improvements with the planting of trees and new fridges for the canteen. Thank you to Rachele Belz for her tireless work in raising grant money and coordinating of these projects. There is certainly a positive future for the club.

Kangaroos Brothers AFC
recognises and acknowledges the Darumbal people, the traditional owners and custodians of the ground upon which we play today.
We pay our respects to all elders, past, present and emerging.

Social events - Season Launch, Ladies Day, Beer Pong, Optus Family Day, TC Memorial Day & 10 year reunion (Teams)

The club has great numbers across the junior and youth teams, with some outstanding results. At the start the season we had very low numbers across our senior grades, and it is credit to everyone that we have been competitive throughout the season. Next year we will need to build on these numbers and recruitment never stops. If you know anyone interested in playing, volunteering, or supporting the club in any way possible, please let us know.

Finally, I would like to take this opportunity to thank everyone who has been a part of the club for Season 2022. The 2022 Executive and Management Committees have worked tirelessly throughout the year, and personally, I am very proud of everyone's efforts. Looking forward to seeing everyone throughout the day.

Enjoy TC Day, all the best to all teams today and thank you for supporting the Roos BAFC Inc.

A Word from the Coach: Women

Welcome to TC Day 2022. This is a special day on our Football calendar and we look forward to a great day of football and especially remembering those who have gone before us and contributed so much to the club.

This is our last home and away game and we hope to finish strongly going into the finals. We have played well over the last few weeks culminating in a great win over BITS last weekend. We had some really good passages of play in the first half and managed to put through some great goals which gave us a good break when it started to rain. In the second half it was a battle but we again absorbed all they threw at us.

Speaking of battles, what about the game against Glenmore. In one of the most physical games all year and to stay in touch all day, and still be a chance in the last quarter. I know as a coach that I was so proud of that effort, and that is all I can ask of our team, and I get that every week. I am very lucky to have the group of players that we have.

Today's game shapes as real test as Gladstone have had some good results lately and they really pushed us for 4 quarters last time. I know we can play well today, we have been improving nicely the last few weeks and today we can finish the season on a high. Good luck to all Brothers and Gladstone sides today, it should be a good day of footy.

GO SISTERS!!!!

A Word from the Coach: Reserves

Welcome one and all to what could be our last game of the year. It's an elimination game for the losing team so both Gladstone and ourselves will be pushing for the win. I know its been a long year and appreciate those guys who have put in week after week. The new guys have stuck around and improved out of sight which is fantastic! Some of us older folk have barely stuck around with old man injuries starting to mount up.

Today is a special day for the club being TC Day. It's always good to see the even older folk coming back to the club and celebrate the amazing effort of those who founded our great club. A few hangovers may be present Sunday morning!

Anyway, a finals spot is on offer and hopefully we can get a win on such a special day. I am looking forward to the game and catching up with some old brothers.

Go Roos!

Reserve Grade

In what shapes as an absolute blockbuster Saturday's game will see Gladstone and Brothers fighting it out for a place in the finals. The last two weeks have been very good for the Ross Reserve grade with wins against Glenmore and a terrific performance to the Saints away in Boyne.

Best players in the game against Glenmore were Chester Macdonald, Michael Moore, Kyle Story, Thomas Aboud, Scott Ginnivan and Trent Trinca. With the great Scott Smithwick bobbing up to kick a lazy 5.

Veteran defender Peter O'Brien led the way against BITS as did Kyle Story and club stalwart Sammy Phillips.

With only a win required to make finals KELE Park will be at full capacity and cheering for the two's boys to salvage something out of the year.

Our Youth teams have had a ripper season, so we have so many reasons to celebrate our growing group of Young Roos

Families are welcome.

A Grade

In what could only be described as a challenging season the A grade come to Tony Clifford Memorial Day with only the one win for the season and desperately hoping to secure a victory to end the tough season with a victory against the Suns.

The past two weeks have seen two tough losses to Glenmore and away to BITS. Glenmore was a tough day out for the undermanned Roos not managing to hit the scoreboard with a goal in an 100 point defeat. The Roos being very inexperienced battled gamely with honest performances by defenders Blayze Chalson and Cody Brown. As always Coach Donovan battled away as did classy midfielder James Richardson. What was encouraging was the individual performances of Lucas Yucksan and Jai Haberie who will no doubt benefit from the experience.

Last week despite another heavy defeat to BITS we saw some improvement with two goals being kicked by Brandon Waine who has performed well this year. Blayze continued his great run of form with another best on ground display. Gary Gillespie was terrific through the midfield and Dylan Matheson played in many roles and did them solidly. It should also be noted the magnificent performance of Scott Smithwick. The 85 year old veteran was once again terrific and has solidified his position as one of the greatest we have ever seen at Brothers Land.

It's been a tough year no doubt about it. But things will change. Credit to everyone who has stuck strong this year as we set the wheels in motion for a 2023 resurgence.

The poster has a dark blue background with a pattern of gold and white confetti at the top. IMPROVEMENT WORKS

Rockhampton Regional Council and Mark Bull Electrical have commenced the switchboard upgrade to cater for our new lights! It is important for players and supporters to not to enter the area.

We expect the off-field trenching to commence in late September. The conduits and pits have arrived, with the lights and poles to be onsite in the next 4-6 weeks.

LIGHTING PROJECT SPONSORS

The club is grateful for the in-kind donations of Beta Power Services and Hopkins Brothers for Stage 2 of our lighting upgrade. These sponsors will provide the equipment and man-power for trenching. With close to 500 metres to dig for conduit, it will be no mean feat!

Betta Power Services

A locally owned and operated company for 20 years, the Beta group offer range of services in construction, lighting and maintenance to residential, commercial and government projects.

Betta specialises in the installation of high voltage powerline infrastructure and a proud to support community projects such as ours.

Hopkins Brothers

A household name around town and in this club, Hopkins Brothers are long-time supporters and have the equipment and expertise to partner with Beta Power to complete trenching works. This season, Hopkins Brothers have provided the club with high quality fill and soil to assist with keeping Kele Park looking its best!

LIGHTING PROJECT PROFILES

Jasstech

Justin and Brett have gone the extra mile for the club at many critical points in securing grant funding. With their own connections to community clubs on the Sunshine Coast, they have been wonderful support for several years as the club has worked toward successful submissions.

Jasstech have completed 150 lighting projects in Australia, NZ and the Pacific Islands and are very excited to be working in regional QLD.

Mark Bull Electrical

The Roos are pleased to have expertise readily accessible with local man Mark and his professional team. Mark has been with this project from the beginning and will oversee the laying of conduit and cabling from the new switchboard to the pits.

A Word from the Coach: Under 17.5s

R.13 - Forfeit by Glenmore.

R.14 away to BITS.

105-23 loss.

The score looks worse than the endeavour that the boys displayed against a very footy smart and talented opposition. Down a few on troops, but just outplayed on this occasion. Jai was excellent in defence and showed maturing and grit for the whole game. To the boys that played that weren't 100% thank you. Tommy Tull again tremendous and developing into a talented footballer.

Thank you to all the people who have helped U17s in 2022 and hopefully our best is yet to come.

Cheers

Ian Hutchieson

A Word from the Coach: Under 17.5s

A really gutsy win by the U17s at Yeppoon for R11. The boys had to really dig deep for this, which was very important win. Yeppoon quickly kicked the first goal, but credit to the boys they did not drop their head and then proceeded to grind away to a great win. Caden Ruff played his best game of the year and was closely followed by Hamish Jai Lucas Rhys TJ Lachy and many others .. a truly strong across the park effort. A Yeppoon senior player said to me just after the game 'you boys look like you train well together'. Train hard win easy!

R12. v Panthers. The 106-22 win was an unexpected points difference after our last minute draw with them when we last met. Our 6 goal first quarter was probably our best footy of the year and it set the tone for a great performance. Captain Tom Hutch lead with a 7 goal haul .. mostly long set shots, and again the pleasing aspect was the overall contribution by all players, very team focussed. Matt & Latrell had their best games of the year and a great win for Hamish's 150th game!

Goodlife.

A Word from the Coach: Under 13.5s

Well done to the girls and boys in my Under 13.5 team. We make it to Tony Clifford Day as minor premiers just dropping one game so far for the year. It has been my pleasure and honour to be part of this group and I would imagine that these are the same feelings that my dad would have felt all those years ago when he and a few parents got together to form this great club.

I know that dad was full of pride when he watched the junior players strut their stuff as it was from junior players that the club was formed. These junior players formed the backbone of the club that has lasted some 40 years. As dad was able to watch his own son play wearing the number 7 he took great pride in the friendships that I made with my team mates at club and representative levels these would develop into both his, mum's and my two sisters' friendships; friendships that last to this very day.

While I may have an interest in the number 23 out there, I can already feel the friendships that are being made before me. The ease of which this team is banding together both boys and girls show that they're a close mob and once they become close they start to band together and the positive results will come. And while number 23 is forming friendships, some that will stay a lifetime, I can feel his friendships being mine, not only the players but their families as well. Isn't that what being in a team is about?

So this weekend, just remember that the club was formed from our junior ranks and not only did dad have pride watching his number 7 play, he also had just as much pride as watching all kids play.

So while there is a mum and dad out there this weekend still watching the number 7 (a lot better than the original number 7) run around with his brother in number 2, there is a mum and dad watching number 8 and 17, another set of parents watching numbers 18 and 22, there will be parents waving flags and blowing whistles at number 16, there are grandparents, parents, aunts and uncles watching number 26, parents watching number 28 wondering if his younger brother gets a run. Everyone will be watching number 4, 10 and 11 as they strut their stuff. I am lucky I get to watch numbers 1 through to 33 as if they were my own kids and I want them to enjoy themselves work hard and create friends.

OUR VALUES

RESPECT
DISCIPLINE
RELENTLESSNESS
BROTHERHOOD
SISTERHOOD

As players and supporters, we strive to show these on and off the field

A Word from the Coach: Under 15.5s

While I felt like I was thrown into the fray, it has been a fantastic experience coaching the boys for the last 5 weeks, and I have really enjoyed getting to know them.

Despite low numbers at times, the boys have always had amazing enthusiasm for the game, and the season isn't over yet! Today, we have an opportunity to keep our finals chances alive.

The senior players of the team, especially Ryan, Brad, James, Tommy and Mason have really led from the front; they have shown great grit and have been role models for the other boys.

My wish for the boys is to take something away from the season that will help them next year. I hope they continue to love playing footy and love being at the club.

Finally, a shoutout to Coach Hannah for helping me run the board and organise the boys each week—simply fantastic.

I am also grateful for many other people at the club who have helped me settle in and supporting me as I started part way through Season 2022.

Good luck to all teams today—let's go Roos!

Cheers,

Simon

CLUSTER DAY

Almost 300 Juniors from across the 6 clubs in the Capricornia League visited Kele Park for the annual Cluster Day.

In picture-perfect weather, teams played a Round Robin competition in the morning before finishing the day with a snag, popper and ice block.

We all had a fantastic day!

CLUSTER DAY

Thank you to our 7 wonderful Joeys coaches for a great season. Our numbers are growing because of their efforts and enthusiasm.

Under 7.5s: Scott Smithwick & Ben Morris

Under 9.5s: Pam Waine, James Knappett and Willow Boulton

Under 11.5s: Matt Cook & Luke Johnstone
