# PRESIDENT'S MESSAGE

Welcome to Ladies Day 2022. Today, we celebrate all the great women and girls and everything they do for the Kangaroos Brothers Australian Rules Football Club.

Ladies Day has become an annual event at Kele Park, with the club raising money for the McGrath Foundation and we again honour Judy Christian, with the Judy Christian medal for the Best & Fairest player from the Women's game. Judy was much loved around the club, had a great heart and volunteered for a number of years.

Special thank you again to TKO Pest Control and Fix Factory for sponsoring the McGrath Foundation pink socks. Two great companies that are supporting a very worthwhile cause. In addition, Optus is also supporting the day, along with the Optus Family Day to be held on 28 June.

Kangaroos Brothers AFC

recognises and acknowledges the Darumbal people,  
the traditional owners and custodians of the ground  
upon which we play today.

We pay our respects to all elders,  
past, present and emerging.

Ladies Day is a very special day for the club and recognises the importance of our women players, volunteers and supporters. Without their tireless hard work and effort, the club would struggle to exist.

Just a reminder that the Great Western Hotel is hosting a comedy night on 21 May 2022, there will be four great comedians on show with all ticket proceeds going back to the football club. Tickets are only \$25 each that are open to the public. It will be a great night at the Great Western Hotel, please get around the event and bring family and friends.

# FUN & FOOTY FOR A FABULOUS CAUSE

Today, we are raising awareness of the wonderful work of the McGrath Foundation. All Youth and Senior teams will wear pink socks on field, with the proceeds going toward breast cancer research and specially trained nurses who care for those diagnosed with breast cancer. The club is looking forward to extending its donation to McGrath Foundation, with over \$5500 raised since 2019. Women & A Grade teams will wear the special edition Optus guernseys to acknowledge this sponsor's ongoing contribution to our club in so many ways.

The Women are playing for the second Judy Christian medal, awarded to the player who best shows determination and a fighting spirit. The medal is in memory of Judy, a long-time supporter of the club and Women's footy who passed away in 2020.

Last year's recipient was Lily Bartlem.

Our Ladies Day event will kick off at 2:00pm, under the Cancer Council shade structure, with plenty of fun, friendship and footy on offer.

# IT'S TODAY!

Invite your friends, partner, mum, sister, aunt and grandma!

## A Word from the Coach: Women

Sadly, Kate and Hannah have long term leg injuries after both putting in strong preseasons, we wish them the best in their recovery. Also Alysha is still sore with a shoulder injury, hopefully only a couple of weeks.

On a positive note it was great to have the two Emilys' debut. Emily Mann, another junior product, was impressive and was a great marking target for the backline clearing out of defense. Just goes to show, you don't have to be Tim O'Brien to take a mark. Emily Easey, playing in her first game of Aussie Rules, showed that she will be more than capable of worrying other teams.

We are looking for another positive effort this week, especially being Ladies Day. With the forecast being 50-50 we just have to back up and support each other. I'm confident we can do well.

Go Sisters!!!

## A Word from the Coach: Women

After a tough first round game, things weren't any easier in round two. Yeppoon turned up determined to cement themselves as a huge threat this season. They certainly showed that they are a well drilled outfit and we had our work cut out for us. To our credit we showed tremendous improvement in the first three quarters. It certainly seemed we had taken some experience from the previous week and started finding team mates with our disposals and we had long periods of the game matching it with a really good side. In fact we kept them goalless for two quarters. This demonstrates increased work rate and improved positional play across the ground. Certainly our backline has been really impressive.

Unfortunately, an unprecedented period of injuries late in the third quarter threw our structure right out the window which the Swans were able to take advantage of. Not surprising with six players off the field when we only had five interchange. We were able to re-group for the last quarter and despite having Kate, Hannah, Alysha, Yaani and Willow missing we still managed to keep Yeppoon goalless and kicked one ourselves, courtesy of superbout Nelson. Pretty impressive and it was good to see everyone realised that we had played well despite being outgunned by a strong opposition.

## Reserve Grade Match Report

The Reserve Grade played the Swans in a replay of last years hotly contested Grand Final. Whilst Yeppoon Reserve Grade side was stacked with talent and former A grade players the Roos had a vastly different side and with coach Moorey out due to COVID protocols it looked a difficult challenge and so it proved to be.

The Swans dominated the contest from start to finish with a number of their star-studded line up having big days. Despite this some players stood out for the Roos. These included Peter O'Brien who battled hard in defence. Jacob Carroll who showed his class. Club veteran Daniel Trinca and Chester McDonald who was named the best for Brothers.

Also a special mention must go to club icon Steve Smithwick who coached and battled away after an outstanding Round 1 display. It's magnificent to have Stiffy back at the club to provide his guidance to the younger players.

The Two's will look to bounce back this week with Moorey back at the helm against the Saints.

Matthew "Piggy" Jones

# A Grade Match Report

Without question the prospect of playing against Yeppoon in these times is a daunting one. Even more daunting when you have a developing team looking to rebuild. Whilst the result went the way that many expected with a huge victory to the Swans the Roos can take a lot from the Round 2 performance.

The Swans are undoubtedly one of the best teams in country Qld. They are well structured, very fit and have managed to find ways to entice exceptionally talented footballers from throughout the country down to Swan Park to ply their trade. The Roos who are going through a transitional phase battled hard and tried to turn the contest into a scrap with an emphasis on taking time off the clock.

The Swans won the game by 140 points and despite the heavy defeat some players really stood out. Dylan Matheson had the daunting task of playing Full Back and held his opponent to only one goal for the game. An incredible achievement given the margin. Hezzy battled really hard once again as did the ever-green Brent Wood. James Richardson showed that he is right up there with the best midfielders in the competition with a terrific display.

This week we play BITS at home which will be another tough task given the off field recruitment by the former powerhouse.

Matthew "Piggy" Jones

## A Word from the Coach: Under 13.5s

Two in a row! Who would have thought?

A nice strong win over the Swans was satisfying, what was more satisfying was how we played the game.

The team stuck to the game plan by not sending the ball too wide, shared to players in better positions and centered the ball to the front of the goals. As coach you cannot ask for more.

In the weeks to come we will work on exiting a contest with hand-ball forward or back then out into space. The team have been quick in picking drills and game plays so far and am excited for the next few weeks.

Our leadership group were again strong against the Swans with Oliver Bennett, Rory Bruigom and Henry Villiers all working hard. New players in Gabby Edwards, Luke McKenzie and Jessica Large all showed that they will be serious players as they develop. Keely Neven requested a shift to the backline and didn't let us down. Keely covered the ground well with strong runs both attacking and defensively. Ethan White has adapted well to the fullback role and is ensuring the backs ahead of him are in position.

Boyne Island will again be a tough opposition and we look forward to the challenge. If the players remember that **IF YOU PLACE THE TEAMS SUCCESS ABOVE INDIVIDUAL SUCCESS, YOU TOO WILL HAVE SUCCESS.** We should then be competitive every game.

Shimma

# A Word from the Coach: Under 17.5s

R2 was a lot of fun for the Roos Boys, as a very under strength Swans Team (which is very unusual) tried their heart out all day, but the 158-0 score was indicative of the difference between the u17s and the many u15s playing for Swans. Our boys showed a number of times, some excellent continuity and handling of the footy from our defensive 50 into our forward 50. Tom Hutch with 7 goals was impressive, along with Hamish, Rhys, Caden, Tas, Junior, and many, many others. Latrell Smith in his second game for Brothers showed enough to get excited that he is a talent, and with some more game time and confidence, he will be a force for us.

I know that R3 will be a very very different assignment, with the u17s BITS Team demolishing teams in R 1 & 2, and this is not surprising with the calibre of Rep players they have developed at the club. This will be a huge test to see where we are, or where we need to get to.

Cheers

Ian Hutchieson
