STUDYING WITH US

At London Graduate School we are proud to offer a fully flexible approach to study which provides

-  **Flexibility in learning**
-  **Efficiency to make the best use of your time**
-  **Effectiveness of learning to make the most of combining your learning and experience**
-  **Personal approach and support provided by the whole programme team**
-  **Caters for all learning styles using a range of teaching and learning approaches**

This enables your learning to happen 24 hours a day to suit you and to utilise a wide range of teaching and learning resources with our academic staff using digital facilities, tutorials and other means.

Most of our students work alongside their studies in addition to having personal and family commitments so our approach enables you to study where and when it suits you around your existing life and commitments.

WHAT OUR STUDENTS SAY

SAM, ENGLAND

“ I found studying my MBA top up through London Graduate School to be perfect while working. The staff were very helpful, and my supervisor even provided feedback on weekends when I needed it most. Am thrilled with my Distinction and would recommend to anyone! ”

OLIVIA, NIGERIA

“ I loved the flexibility of studying with London Graduate School. There was always someone to answer any queries and keep me motivated! My supervisor was really great, and I had some excellent feedback and guidance. I can't thank everyone enough! ”

KRISHNA, SRI LANKA

“ The unique feature of this MBA programme is the comprehensive digital learning support that was offered by everyone at London Graduate School and it enabled learners from different continents and cultures to share their professional experiences ”

CHIN, CHINA

“ Studying with London Graduate School was such a great experience. My supervisor was so supportive, and the programme team were so approachable. I love that my final project was so relevant to my workplace too. Such a great and flexible way to gain my degree! ”

OVERVIEW

An MBA is widely seen as a passport to a successful career. It demonstrates the breadth and depth of your functional competence, strategic knowledge and problem-solving ability.

The Master of Business Administration (MBA) (top-up) programme is only available to learners who hold the OTHM Level 7 Diploma in Strategic Management and Leadership (120 credits) and have suitable managerial experience.

The final stage MBA (top-up) course allows you to achieve an MBA qualification in up to six months, so it's a fast track to new opportunities and enhanced career prospects.

If you do not yet possess the OTHM Level 7 Diploma in Strategic Management and Leadership qualification by following this link: www.othm.org.uk you can find an OTHM approved delivery centre near you that delivers this qualification.

MODULE INFORMATION AND DELIVERY

Modules on this course include:

Consultancy Project Report (60 Credits) – compulsory

The module provides the opportunity for you to examine an area of particular interest within an appropriate organisational context. The module is designed to make a major contribution to your professional and intellectual development, through enabling you to demonstrate your capacity for sustained independent thought, learning and critical reflection.

The purpose of this programme is to deliver a practical and realistic solution to a business-related strategic challenge, which in turn is supported by appropriate reference to theoretical and conceptual analysis. You will evidence this by producing a 'Consultancy Project Report' (CPR) of 12000 words.

AWARDING INSTITUTION

The BA (Hons) in Business Management programme is awarded by University of Chichester.
