Institution of Excellence

Muslim Educational Society (Regd.) is the Biggest Educational Agency in India, Managing More than 150 Educational Institutions. MES focuses on giving the right knowledge, life skills and attitude to each student to mould him/her to be a global citizen.

MES College Kochi, affiliated to MG University, is successfully commencing its fourth academic year. By now, the College has ascertained its position as the leading name in higher education in western Kochi region.

Vision

MES College Kochi visualizes the intellectual development, social commitment, and the best curricular, co-curricular and extra-curricular environments for the students to flourish into competent, responsible and compassionate individuals, thereby turning the future generation into reliable assets for their families, society and the nation. To facilitate better job prospects for students, in addition to regular teaching, the College offers Add-on courses.

Campus

The greenery and countryside ambiance of the campus would be highly beneficial for concentrated academic pursuits. The infrastructure facilities and other essential amenities would add comfort and convenience to the campus life. The campus is easily accessible by road.

Admission

- Admission shall be strictly based on merit. Admission procedure and fees structure are in accordance with the guidelines stipulated by the Government of Kerala.
