

Class of 1986  
35th Reunion  
AKA, The COVID FORMATION

Dear Class of '86,

The Citadel Homecoming is November 12-14, 2021. The headquarters hotel is Embassy Suites, Historic Charleston. It's The Old Citadel. The entire block of rooms we reserved is sold out but the hotel management may give you a referral to a sister hotel (Hampton Inn – Historic District) just blocks away.

Friday night will be a blast! We are joining forces with The Stray Dog Society for the Homecoming Jamboree in down town Charleston. It's walking distance from The Old Citadel. Go on line and purchase your tickets SEPARATELY from the reunion registration packet. The Class of 1986 has discounted tickets at \$130.00 per person until August 25. Use code "class86" (without quotations) to get our discount. This includes a live show band, open bar and chef attended stations. GET YOUR PARTY TICKETS NOW!

On Saturday enjoy campus, attend parade and then join us at Karl and Darci Buchanan's 35<sup>th</sup> Reunion Tailgate Party. Karl and Darci along with The Citadel Hockey Team hosted a great tailgate party at the 30<sup>th</sup> reunion. This time they promise an even greater event. They partnered with Mike Troxel (Mike and his family started a BBQ business) and he promises the best tailgate food ever plated and served! It's open bar, all you can eat and maybe live music? The Citadel Hockey Team is setting up, serving and doing the grunt work, so we will put out a Tip Jar for their benefit.

After the tailgate party, march into the stadium with your classmates to watch The Citadel vs Wofford. You must have a ticket to enter the stadium and march with the class. Order your football tickets directly from the athletic department. Football tickets are not included in the reunion registration packet.

Keith Hughes is handling the registration process. You can go online and click on the "Registration" link to download the Reunion Registration Form. You can scan and email the form to Keith or send it US Mail. Payment can be made by check or credit card. Follow Keith's instructions on the Reunion Registration Form and call/email him with any questions. **THE DEADLINE for registration is SEPTEMBER 3, 2021.**

The COVID FORMATION HAS BEEN A CHALLENGE TO PLAN AND ORGANIZE. Thanks for your patience as we journey towards November. Woody Watford has put together some really quality SWAG for our class. Woody has kept us in style for going on 35 years. This year extra hats are available to order. Thanks Woodrow! Go to our class website often for the latest available information as Lee Glaze is keeping all the information current. Hey, you are part of the best class to ever join the long gray line. Come to the reunion and celebrate with us! Register NOW!
