CORPORATE/EMPLOYER GIFT MATCHING

WHAT IS IT?

Q. What is a Gift Matching Program?

A. Gift Matching Programs are offered by many employers, especially larger companies and corporations. Typically, these programs provide dollar-for-dollar funds to match employees' charitable contributions.

HOW DOES IT HELP?

Q. How does Gift Matching help South Lake PTSA?

A. Employer gift matching allows you to potentially double the impact of your monetary donations *at no cost to you*. For example, if you donate \$100 to South Lake PTSA and your employer matches your \$100 donation, that means South Lake PTSA will receive \$200 that can be used towards educational programs and other community-building activities that supports our children at South Lake Middle School.

HOW DO I KNOW?

Q. How do I know if my employer offers a Gift Matching Program?

A. Please contact your employer and inquire if they have a Foundation, Corporate Social Responsibility or Corporate Citizenship department. If not, you can search your company intranet or ask your Human Resources department. Additionally, there are several online databases/lists where you can look up your company name. Please note that these are third-party resources and they may not have the most up-to-date information.

HOW DO I USE IT?

Q. How do I use my employer's Gift Matching Program to help the South Lake PTSA?

A. First, make a personal donation to the South Lake PTSA. We encourage you to make a pledge donation on top of the \$20 membership fee. Keep your receipt - your employer may ask for it to verify your donation.

Next, register your donation for a match through your employer's Matching Gift Program. Procedures may vary with each company. You may have to submit your request using an online system by completing a form with the following information:

Organization Name:	South Lake PTSA
Organization Address:	655 West Yale Irvine, CA 92614
Tax ID Number (EIN):	33-0618736
Contact Email Address:	southlakeptsa@gmail.com

Your employer's Gift Matching Program will then verify and approve your donation for a match. You should receive confirmation from the program and the PTSA should receive the matching gift directly. Please note that Gift Matching Program payment schedules vary by company and funds may be disbursed monthly, quarterly or bi-annually, etc.
