## HOLIDAY NEWSLETTER

We have so much to be grateful for here at Success Unlimited, Inc. this holiday season!

This agency has achieved so much over the years and it is important to reflect on the efforts of those who went before and dedicated their time and tireless efforts to its mission.

With sincere gratitude, thank you to Diane Werness who founded this agency and developed the foundation that continues to thrive today. Thank you as well to Tanja Kapinos, Director for well over a decade. Both women carried the mission forward and for that we are grateful.

Last, yet not least ... thank you to our past and present staff members who have served as Job Coaches, Employment Specialists and Administration. It is because of our dedicated employees that we have remained a long standing agency carrying out a necessary mission in this community.

A mission that supports and believes in creating meaningful employment opportunities for individuals living with disabilities as a way to achieve lives of greater self-sufficiency and economic independence.

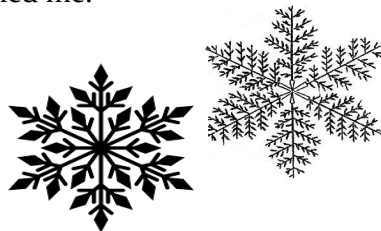

In a time when businesses are in great need of reliable employees, we are proud of our many clients who want to work and do so with great willingness.

Community support in every way is of the utmost importance today more than ever. We owe much of our success to the loyal supporters you see to the right of this page. Future growth will also depend upon the partnership and collaboration of the Grand Forks and East Grand Forks communities.

Proudly, I will serve as the next in line as the new Executive Director here at Success Unlimited, Inc. The horizon is bright and I extend many thanks to all who have welcomed me.

Happy Holidays and Best Wishes -

Kari Herbst, Executive Director
