SAN CLEMENTE WOMEN'S GOLF CLUB LOCAL RULES AND PROCEDURES

1. Winter Rules are to be played by SCWGC members only on days when the Tournament Chairperson posts a notice. Do not move the ball with the club head. A ball lying anywhere on the course, except in a hazard, may be lifted, cleaned and placed without penalty within six inches of where it originally lay, no nearer the hole. After the ball has been placed, it is in play and USG Rules of Golf apply.
2. All temporary greens: Player may attempt to hole out the putt. Failing that, she shall pick up and count two strokes.
3. Putting out: An active member must properly complete (putt out) each of 18 holes in the proper sequence during low gross, low net or low putt competitions to be eligible for an award. If a player starts but does not complete a hole, she shall record, for handicap purposes, the score which most likely would have been made if the hole had been completed. An "X" shall precede this likely score. Such score shall not exceed the limit in the Equitable Stroke Control formula. A player may x-out a hole if it is not involved in the game of the day (e.g., a 9 hole tournament would be a stipulated round). However, if a player records an x-out at any time, she shall not be eligible for Net score competition. X-outs will not affect eligibility for Ringer competition, but the x-out consideration will not be given in 4 Ball Stroke events. If a player fails to complete a hole, there is no penalty for the team. In Partners' 2 Ball tournaments, there is no penalty if one of the partners does not complete a hole, but she shall be ineligible for individual Low Net consideration.
4. If a ball comes to rest in "skunk" digging," it shall be dropped at the point of nearest relief, no closer to the hole.
5. Hole No. 16 on the left side of the fairway is staked Out of Bounds.
6. If a ball lies on bare earth in the closely mown area of the course, the spot where the ball lies may be marked, lifted, cleaned and placed as close as possible to the marked spot, no closer to the hole. Your playing partners must be in agreement with the above ruling.
7. If a ball lies off the putting green, but not in a hazard, and an immovable obstruction within 2 club lengths of the putting green and within 2 club lengths of the

ball intervenes on the line of play between the ball and the hole, the player may take relief. The ball may be lifted, cleaned and dropped at the nearest point of relief, no nearer to the hole.

ADDITIONAL LOCAL RULES

1. IMMOVABLE OBSTRUCTIONS CLOSE TO PUTTING GREEN: Relief may be taken from interference by an immovable obstruction close to the putting green (i.e. sprinkler heads, or water valves). If the ball lies off the putting green and not in a hazard, and an immovable obstruction on or within two club lengths of the putting green and within two club lengths of the ball intervenes on the line of play between the ball and the hole, the player may lift, clean and drop at the nearest point of relief, not nearer the hole. (Appendix 1-B-6.)
2. BALL CROSSING PUBLIC ROAD: A Ball Crossing Road or Parking lots- Holes #9, 10, 12, 14 and 18. "A ball which crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course." (Decision 27/20) (Decision 33-8/38)
3. DISTANCE MEASURING DEVICES: "For all play at this course, a player may obtain distance information by using a device that measures distance only." (Appendix 1-B-9) (Rule 14-3)
4. PROTECTION OF YOUNG TREES: "Protection of young trees identified by stakes. If such a tree interferes with a player's stance, or the area of his intended swing, the ball must be lifted, without penalty, and be dropped in accordance with Rule 24-2b (Immovable Obstruction)." If the ball lies through the green, the player must lift the ball and drop it, without penalty, within one club-length of and not nearer the hole than the nearest point of relief. The nearest point of relief must not be in a hazard or on a putting green.
5. WATER HAZARDS: Water Hazards are defined by Red or Yellow stakes (or paint). (Rule 26) Holes #7, 8, 13, and 15. Red stakes, or red painted fencing used to define the margin of or identify a lateral water hazard are obstructions. (Rule 33-2a) The split-rail fence along the entire fairway on Hole #8 defines the margin of the lateral water hazard (Ball touching or under the fence is in the hazard). Except when a ball is in a water hazard or a lateral water hazard, a player may take relief from interference by an immovable obstruction as follows: The player must lift the ball

and drop it, without penalty, within one club-length of and not nearer the hole than the nearest point of relief. When the ball is dropped within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the immovable obstruction and is not in a hazard and not on a putting green. The left side of #16 fairway is now Out of Bounds. It is no longer a Water Hazard.

6. **ANGLED SUPPORTS (GUY WIRES):** Guy wires supporting the Driving Range fence along Holes #1 and 6 are considered Obstructions (Rule 24). Swing or Stance relief- The player must lift the ball and drop it, without penalty, within one club-length of and not nearer the hole than the nearest point of relief.
7. **STONES IN BUNKERS:** Because stones in bunkers may represent a danger to players attempting to play the ball, permission is given to treat stones in bunkers as movable obstructions under Rule 24-1 (Appendix 1 Local Rules Part B-5.) If the ball does not lie on the obstruction (stone), the stone may be removed. If

the ball moves, it must be replaced, no penalty. If the ball lies on the obstruction (stone), the ball may be lifted and the stone removed. The ball must be dropped, as near as possible to the spot directly under the place where the ball lay on the stone, but not nearer the hole. The ball may be cleaned when lifted under this Rule.

8. **FLOWER BEDS AS GROUND UNDER REPAIR (G.U.R.):** If a ball is in one of the courses Flower Beds: (a) Beyond the 1st green and next to the 2nd tee, (b) Between the 7th tee and 18th green, (c) Between the 10th and 12th greens play is prohibited and is deemed to be in Ground Under Repair (G.U.R.). If a player's ball is in one of these defined Flower Bed Areas, or, if these areas interfere with the player's stance or his intended swing, the player **MUST** take relief under Rule 25-1. The player is entitled to lift, clean and drop (without penalty) within one club-length, of and not nearer the hole than the nearest point of relief.
