

If a player has an established handicap of 40.4 or less, she can join upon paying the club dues.

If a player does not have a handicap, the club has a procedure of establishing one by playing a minimum of five qualifying rounds with members of the club. (Qualifying score from the silver tees is 110. Qualifying score from the gold tees is 119.) The membership chair will facilitate this process, all you have to do is play!
