

Dear Friend,

Greetings from the Randolph Oilers's. We like to take this time to thank you for taking time out of your busy schedule to read this important message.

The Randolph Oilers Football Club is a member of the Eastern Football League, which was founded in 1961. As a member of the EFL, we play the best semi-professional football teams from all over New England. The EFL every year has a representative in or wins the USFA National Championship for the Semi Pro football teams across the USA. This level of excellence ensures great competition, but it also demands a professional environment and program.

This year marks the 30th season of the Randolph Oilers Football Club. The Oilers were introduced to the City of Randolph and surrounding towns in 1973 as a new semi-professional football organization.

Our home games are played at Randolph High Memorial Stadium, which is located at 70 Memorial Parkway.

Competing in the EFL requires the Randolph Oilers to work year-round securing sponsorship. Although the EFL and the Oilers are considered semi-professional, all athletes are UNPAID AMATEURS, who help raise funds and provide all their own equipment. It is mandatory that all EFL games be held in a facility that meet specific criteria; dressing rooms, working showers, lights, press box and announcer.

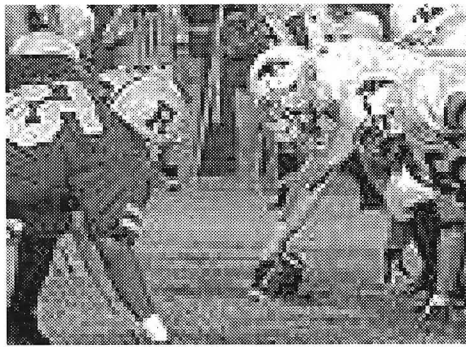

Our Organization is strong and committed. Our President and General Manager is Peter and Marge O'kane, a long time Randolph residents,

Who is best known for his involvement throughout the community. The O'kane's are known for generously given of his time to such organizations as the Rotary Club, CYO, School for the Deaf, Little League, Youth Football, chamber of Commerce, Business and The Industrial Commissions.

Our head coach is Ed Penn. He became the head coach for the Oilers in 1998. Coach Penn started his career in the semi-pro ranks back in 1979. Where he played for 15 yr. Achieving many all league honors. In 1990 Coach Penn was name again ALL EFL while helping the Oilers to a 12 – 0 season and the EFL Championship. Coach Penn has been inducted into the USFA Hall of Fame. He started his coaching career at Braintree High and then over at Stoughton High School, while still maintaining an excellence of commitment to the Randolph Oilers. He started coaching the Oilers Offensive line in 1994.

Semi-Pro and Proud!**

Our roster is made up of many former players from High schools, Small and large colleges and a host of good men from surrounding towns. Due to continued support through out the local community our team has, and will continue to draw fans of all ages and from different communities and background.

To continue the Oiler's football tradition, we need your help. Below, we have outlined our sponsorship programs for the 2003 season.

We operate as a non-profit organization, as such, your donation will be used to help cover the following 2003 expenses:

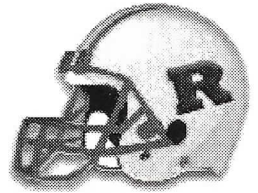

- EFL League Fees**
- Referee Fees**
- Stadium Rental Charges**
- Training & Supplies**
- Game Uniforms**
- EMT's**
- Medical Staff**
- Free ticket give away to children**

The Randolph Oilers would be honored to have you join us as a sponsor for the 2003 season. You will discover that semi-professional football is not only refreshing, exciting, family oriented fun, but it is also played at a highly competitive level. We hope you will consider joining the Oiler's family for our 30th year anniversary. You will also find out that it is a great medium to get your business across to the community.
