13%

Had earned income when they entered a shelter.

25

The number of parenting youth, accompanied by **31 children.**

104

Youth arrived at a shelter in adult-only households.

A NOTE ON THIS DATA

Youth and young adults comprised only **6.8%** (11 people) of those counted during the July 2023 PIT count.

Additional shelter data has been taken from the **Homeward Community Information System (HCIS)** to get a better picture of youth and young adult homelessness from June 30, 2022 to July 01, 2023.
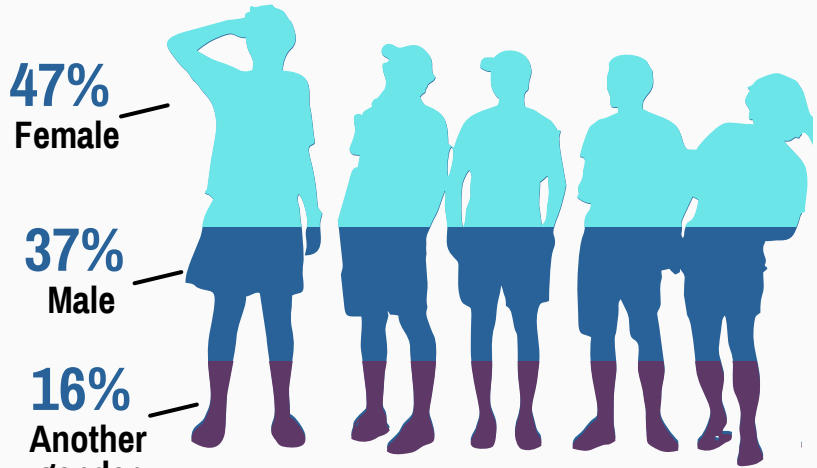

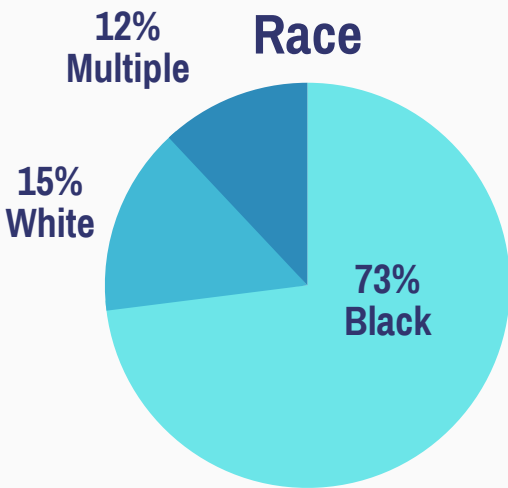

Youth and young adults represent **7.1%** of those served in shelters during that timeframe.

Race

- 12% Multiple
- 15% White
- 73% Black

- **47% Female**
- **37% Male**
- **16% Another gender**

Youth are 21 times more likely than other adults to report a gender other than singularly male or female.

Ages

Ages: 18, 19, 20, 21, 22, 23, 24

Community Action: *What You Can Do*
