

## TRY OUT THE ROUTE! ~ ST. MARYS TABBY TRAIL

Try out the route for the St. Marys Tabby Trail (Multi-Use & Bike Trail) to get outside and enjoy nature! This is an 11-mile bike and multi-use path from St. Marys Waterfront Park to Crooked River State Park. Comfort stations are located at Sweetwater Park on Pt. Peter Road and at the McIntosh Sugar Mill Ruins on Ga Spur 40 (across from the Stimson Gate of NSB Kings Bay). Restrooms and a Bike Repair Station are located at the St. Marys Waterfront Park. You can refill water bottles at the St. Marys Waterfront Park and at the Sugar Mill comfort station, which is located near the railroad tracks, on the north end of the site. The build out of the protected lanes is still in progress with completion from the waterfront park down Peters Point Road and on Spur 40 from Douglas Street to Kings Bay Road. These are concrete trails.

Paths are still in progress along the route. You can find the route map at [visitstmarys.com](http://visitstmarys.com) and a cue sheet at the St. Marys Welcome Center at 400 Osborne Street, St. Marys Ga.
