In such situations, it becomes even more important to carefully manage and allocate your limited resources. Come learn about strategic budgeting skills with Franklin Bank to help improve your household wallet.

## Rock Painting & Pizza

Spreading a Little Kindness Through Art. The point of this stone painting is to sprinkle positivity around your community. Once you create one, the idea is to leave it somewhere for another person to find and enjoy. As we all know, sometimes a simple message of love and compassion can spark joy and brighten someone's entire day.

## Financial Literacy with Ameri Corps
