**MTW is a family-owned company focused on meeting deadlines, top quality, fair pricing, excellent customer service, and building business relationships with trust and integrity.**

**We offer a fast turnaround for precision machining services crafted from all types of materials including stainless steel, titanium, steel, aluminum, plastics, and exotic materials engineered to exacting tolerances.**

**Using our waterjets, lasers and other CNC capabilities, we can make parts more efficiently than machining alone.**

**We strive to deliver an exceptional customer experience by treating our clients as our partners and delivering quality products with unbeatable customer service.**

***"I enjoy working with MTW because they supply us with a quality product that we can put into our machines to get a very clean fit and finish."***

**Steve Tatro - Owner  
TIP Inc.**

***"Lange Machine has a long relationship with MTW. The support that we get from them is excellent, and their work quality is top notch."***

**Craig Lange - Owner  
Lange Machine & Tool Co.**

***"MTW has been a great local fabricator to partner with, helping us out with their broad capabilities and short lead times on custom parts."***

**Kevin Yessa - Manager Supply Chain  
Piper Products**

# Equipment & Capabilities

## CUTTING

### MAZAK OPTIPLEX III 8kW FIBER OPTIC LASER

### NUKON 5kW, IPG FIBER OPTIC LASER

- ◆ 78" X 157"
- ◆ CUTTING ABILITY:
- ◆ 1" CARBON STEEL, ALUMINUM AND STAINLESS STEEL
- ◆ 1/2" COPPER AND BRASS
- ◆ STOP PUSH NC STOP

### 2—TECHNI WATER JETS 3000

- ◆ MODEL 3000—60" X 120"
- ◆ MODEL 4000—72" X 144"
- ◆ 60K PSI, UP TO 6" CUTTING DEPTH

### MARVEL VERTICAL BAND SAW

- ◆ 15" X 20"
- ◆ AUTO INDEXING UP TO 60°S ON EITHER SIDE OF 90°

### KALTENBACH COLD SAW

- ◆ 400MM BLADE 3"X 6" X 12' length
- ◆ NON-FERROUS WITH TIGER STOP PUSH NC STOP

### MITSUBISHI WIRE EDM

- ◆ 12" X 12" - UP 6" CUTTING DEPTH

---

## FORMING

### DURMA PRESS BRAKE

- ◆ 242 TON—12' 1" BED

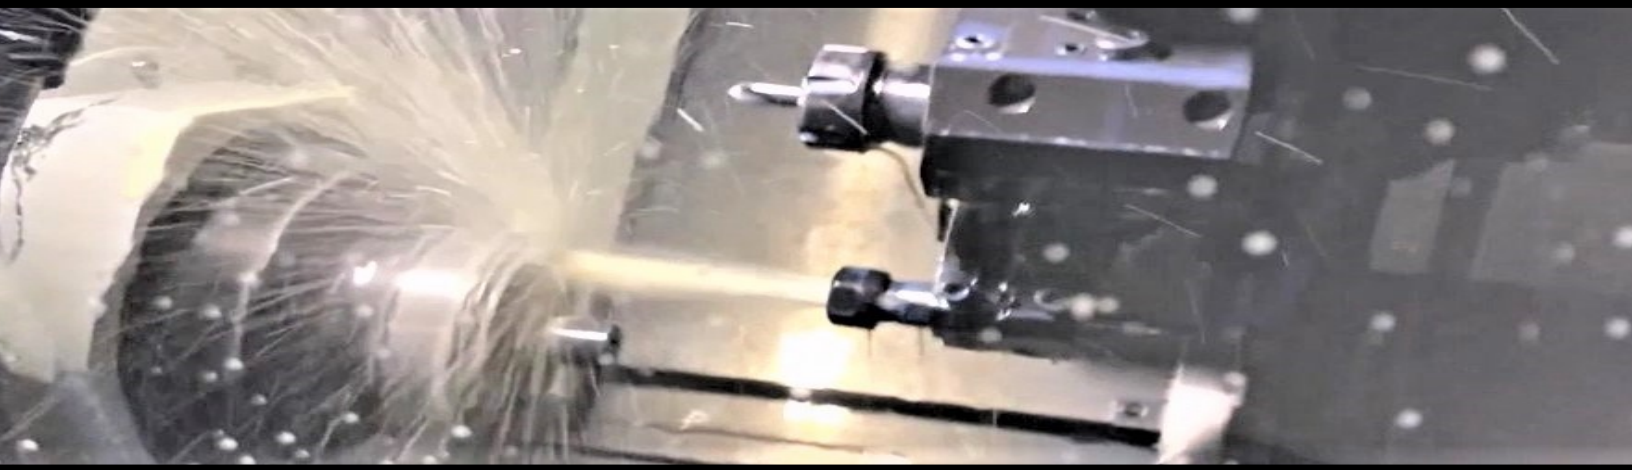

### PREMIER PRESS BRAKE

- ◆ 70 TON—8' BED

# Equipment & Capabilities

## MACHINING

### 2 - DOOSAN VERTICAL MILLS (VMC)

- ◆ 30 HP—50" X 26" TRAVEL - Z 24.6"
- ◆ 20 HP—40" X 21.2" TRAVEL - Z 21.01"

### MAZAK VERTICAL MILL (VTC)

- ◆ 15 HP—44.1" X 20.14" TRAVEL - Z 20.08"

### 2 – DOOSAN CNC TURNING CENTERS

- ◆ 25 HP—MAX BAR  $\varnothing$  3", MAX TURN  $\varnothing$  17.7
- ◆ 20 HP— $\varnothing$ 9.84" MAX TURN,  $\varnothing$ 20.1" MAX TURN LENGTH,  $\varnothing$ 2.0" MAX BAR

### SOUTHWEST TRAK LATHE

- ◆ 7.5 HP— $\varnothing$ 16" MAX TURN, 30" BETWEEN CENTERS

### CLAUSING ATLAS BED MILL

- ◆ 5 HP—20" x 41" TRAVEL

### HURCO BED MILL

- ◆ 5 HP—20" x 40" TRAVEL

### PROTO TRAK KNEE MILL

- 3 HP—16" X 32" TRAVEL

### BRIDGEPORT KNEE MILL

- 3 HP—12" X 34" TRAVEL

### 3—SURFACE GRINDERS

---

## FINISH & FABRICATION

- ◆ PLASMA CUTTER
- ◆ 1—TIG WELDER
- ◆ 4—MIG WELDERS
- ◆ 2—ACORN WELD TABLES
- ◆ 2—TUMBLERS, 3' TO 6'
- ◆ SHOT BLAST, 17" X 24"
- ◆ PAINT BOOTH, 9' X 14' X 26'

Every member of the MTW team is committed to these four core values that allow us to exceed expectations and resolve our customers daily challenges:

**CUSTOMER COMMITMENT**

**INNOVATION**

**VERSITILITY**

**QUALITY**

**OUR MISSION**

*“By fostering a partnership with our customers, we are able to find solutions that address their daily challenges and ever-changing needs through innovation, continuous improvement, communication and versatility.”*
