## Insurance Companies We Participate With

If you are choosing a managed care plan for the first time or considering a change in your employee health benefits, Danbury Hospital wants to share this important information with you.

We have agreements with more than 30 managed care companies to provide services to their plan participants. These contracts cover inpatient and most outpatient services. Since health plans vary, you should contact your company's benefits administrator for exact coverage explanations.

For more information, call our Managed Care Office at 203.739.7484 weekdays. Remember, differences do matter when you are choosing a health plan. These plans are accepted by Danbury Hospital:
