This fur sale is the only fur sale where the profit contributes to saving your New Mexico trapping privileges and heritage. No other fur sale in New Mexico, or anywhere else does this. Commissions: 5% for NMTA members; 8% for non-members. Non-members can join or renew when checking in fur for the member discount.

***** Note: The NMTA continues to do everything possible to put on a top quality sale. In order to do this there will be a 2% commission charged for all no-sale lots pulled from the sale. This is to offset the costs of putting the sale on.**
