

# Helping Hand

## GOD'S STRENGTH WILL CARRY US THROUGH

BY DIRK O'DONNELL

Jeremiah 17:5,7

**Cursed is the one who trusts in man, who draws strength from mere flesh and whose heart turns away from the LORD.**

**But blessed is the one who trusts in the Lord, whose confidence is in Him.**

**A**s I am writing this article this is the passage on my mind. How often have I fallen into the trap of relying on my strength or someone else's. Having spent the past 15 years of my career as a salesman, project manager, and business analyst I was rewarded for the work that I was able to accomplish and more often than I would like to admit, I trusted in my strength not God's.

2022 was a year of change, challenges and growth here at the Children's Home. As I reflect on the past year I can see now where my strength failed and where God's carried me through. So this year I am striving to start off in His strength. I am striving to follow His leading and seek for ways to help encourage the staff here to deepen their roots in the rejuvenating waters of God (*Jeremiah 17:8*).

The kids you provide for here at the Home will benefit from the staff's connection to God and through this connection the seeds that are planted will receive more attention and watering and we can trust that God will give the increase (*1 Corinthians 3:6*).

I am excited that **The Park Church of Christ** in Broken Arrow is sponsoring a **Spiritual Wellness retreat** for the staff here. This is the first time in many years that the staff will have the opportunity to have a retreat focused on their spiritual wellbeing.

So as we begin 2023 know that as an organization Hope Harbor Children's Home is striving to put our Trust in the Lord and be confident that He will guide us in our decisions.

Continued from page 1

May your 2023 begin with a refocus on God. May you seek out those rejuvenating waters of God in your life as well.

Thank you for the care and blessings you provided for the children in 2022 and I look forward to seeing how God will use you to change the lives of the kids here in 2023.

**M** meet Jeremy North and the newest member of the Hope Harbor Directors' team! Jeremy joined us in October as our Program Director. He holds a master in social work and is a licensed social worker.

Jeremy worked at Midwestern Children's Home in Ohio for many years. He brings a great deal of knowledge and experience with him. However, the best thing about Jeremy is his love and dedication to helping children and families. He has already become part of the Hope Harbor family and jumped right into bonding with our kids. We are looking forward to things to come. 2023 is going to a great year!

**Jeremy & Dirk playing a game with the kids at the Hope Harbor Christmas Party.**

# 2022 Program Graduates

**W**e are proud to announce that this year we had 1 young man and 2 young ladies complete the Hope Harbor program and were reunited with their families. Ryker graduated on August 12, 2022 and Katya and Makaylyn graduated on December 19, 2022.

In order to complete the Hope Harbor program, they each had to complete 9 steps in the growing in character model. This is a system designed to

help them gain personal growth in their spiritual, academic, family and personal lives. This program is not easy and each step comes with a long list of things they have to accomplish and master.

We are beyond proud of these three kids and we wish them the best in their futures.

Thank you for allowing them this opportunity to find new hope and discovery God's plan for their lives.

**Each graduate receives an official certificate of completion.**

# Hearts for Service

**O**ur kids have such great hearts and they truly love to help others. This year several of our residents did service projects throughout the year. The child is in charge of their own service project including the planning, gathering needed materials and finding volunteers willing to help them in their efforts. Here are a few photos of some of the projects done this year.

**(From Left to Right) The kids put together fresh flowers to deliver to nursing home patients. We visited local kindergarten classes and did crafts with them.**
