VAGABOND

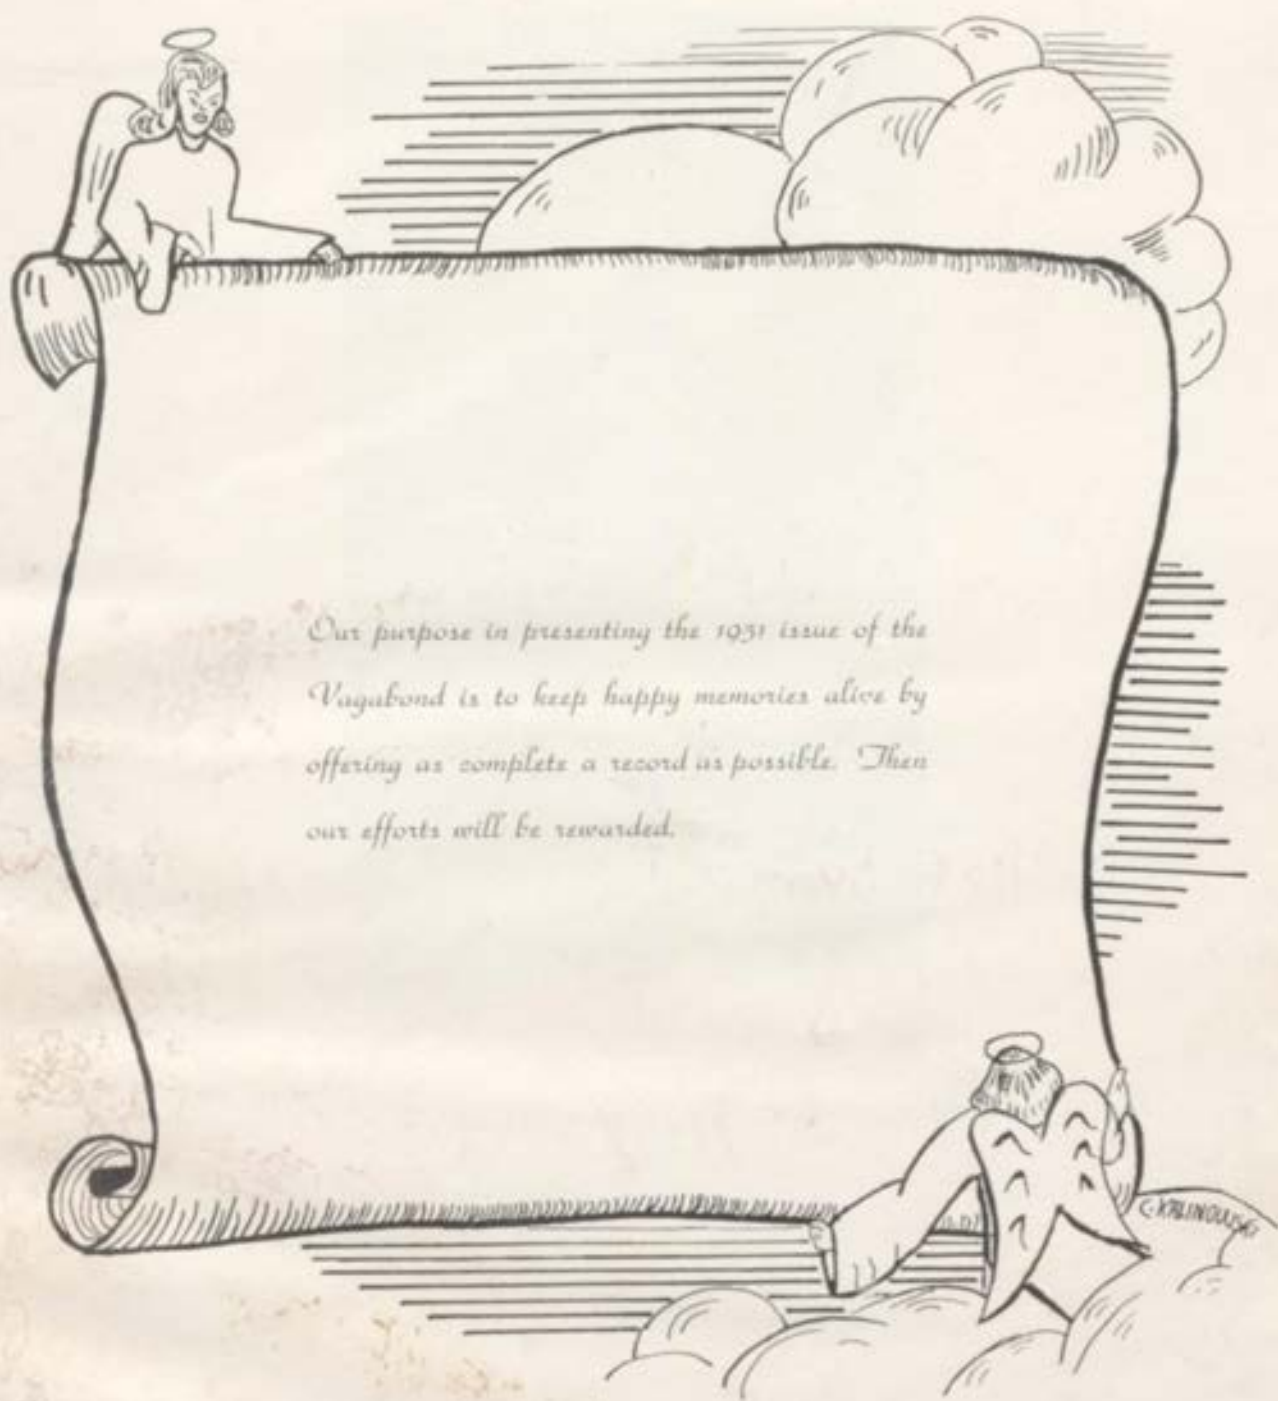

*The*  
**SENIORS PRESENT**

**THE VAGABOND**

All hail to thee, Finnish Falls, so dear to our hearts,  
Forever our praises to thee we impart.  
We sing of thy glory and honor so high,  
Now in the colors of blue and white do we wave our flag,  
And when all our high school days a memory shall be,  
O'er Alma Mater we'll sing with thee.

*Our purpose in presenting the 1931 issue of the Vagabond is to keep happy memories alive by offering as complete a record as possible. Then our efforts will be rewarded.*

# FOREWORD

## *Greetings*

The Administration and Faculty extend greetings and congratulations to the Class of 1951. May the future bring to you the happiness and success you so richly deserve.

Your Superintendent feels especially close to the Class of 1951, since it will be the first class to graduate under his administration.

The four years of your high school career have borne fruit. The kind of quality of this fruit will be determined by the use to which you put your education throughout the years to come.

Charles A. Traphagen

EDITOR'S NOTE—With the kind guidance, understanding and co-operation of Miss C. M. Hulihan, we were able to publish, in our estimation, one of the finest Year Books the school has ever published. On behalf of myself and the Vagabond Staff, I can only say, "Thank You." I would also like to thank Mr. John Moore and Mr. Richard Comins for their part in making this a better book.

MARJORIE McMAHON,

## Class History

It all began four years ago, in the fall of 1947, when a group of 85 lively Freshmen stampeded the hall of H. F. H. S vainly in search of Room 27. We gradually became acquainted with the school, and with the aid of Mr. Reeves, our adviser, we selected the following class officers:

President	Gerald Bentley
Vice President	David Durfee
Secretary	Ruth Tollisen
Treasurer	Beatrice Simmons
Reporter	William Rourke

### Student Council

Sandra Curtice	Richard Akin
Mary Jane Capano	William Mulready

At last came initiation. The Seniors put us through all sorts of pranks. We survived, only to take our revenge three years later.

During the year we sponsored a **Freshmen Hop** and a juke-box dance, both of which proved profitable.

We had taken another step upwards and were now Sophomores. We occupied rooms 26, 28, and 29, with Mrs. Von Haggin and Miss Hulihan as our advisers. We got right down to business and elected our class officers:

President	Gerald Bentley
Vice President	Richard Coonradt
Secretary	Margaret Chase
Treasurer	Mary Jane Capano
Reporter	Nicholas DeLuca

### Student Council

Winifred Hunt	Richard Akin
Mary Jane Capano	Nicholas DeLuca

We sponsored a Soph Carnival, a vic-dance, movies every Saturday and a dog raffle.

We also upheld the tradition of giving red roses to the Seniors for the National Honor Society. In all it proved to be one of our fruitful years.

*Class History . . . continued*

We came back in September of 1949 as Juniors. Our advisers were Miss Leary and Miss Capeless, and our homerooms were 11 and 21. Our officers for the year were:

President	William Rourke
Vice President	Robert Blake
Secretary	Sandra Curtice
Treasurer	Winifred Hunt
Student Council	
Beatrice Simmons	Victor Grogan
Mary Jane Capano	Giles Russell
Kendall Simpson	

We ordered our class rings, and they arrived in February. During the year we sponsored a movie and a food sale which were both successful. June came very suddenly, and also our Junior Prom, the biggest event of the year for us.

1950 was here and we were Seniors. Imagine!! All that we had been striving for, through twelve years of hard work, was now at an end. Officers for the first half were:

President	Joseph Gahn
Vice President	Gerald Bentley
Secretary	Margaret Chase
Treasurer	Wilma Siemens
Student Council	
Winifred Hunt	Mary Jane Capano
David Durfee	Joseph Gahn

We held a revised edition of initiation in October. Instead of the usual rumpus, the Seniors presented skits in which both Freshmen and Seniors participated. The Freshmen were required to wear "beanies", and a dance was given on the last night of the initiation period in their honor.

Our class homerooms were 14 and 15, and we chose Miss Colberg and Miss Hulihan as our class advisers. Our class colors are blue and silver. Our motto: Live to learn, go forth to serve.

In January we elected officers for the second half:

President	Joseph Gahn
Vice President	Gerald Bentley
Secretary	Winifred Hunt
Treasurer	Mary Jane Capano

Graduation is almost here and will be a reality at last. Now that the time for us to leave is fast approaching, we shall depart with a mixed feeling of sadness and gladness to become alumni of Hoosick Falls High School.

Mary Jane Capano

## Class Will

We, the Class of 1951, of Hoosick Falls High School, Hoosick Falls, Rensselaer County, New York State, undoubtedly being of unsound and undeceiving mind and memory, and being of brilliant character, do hereby make, publish, and declare this to be our very Last Will and Testament.

First, to the faculty we bequeath our regrets that they are parting with such an intelligent, obedient, and co-operating class, as the Class of 1951.

To the under-classmen we leave our excellent abilities with hopes that they will follow in our footsteps.

Here is a list of bequests left by the individual:

## Class Prophecy

July 5, 1965

Dear Marilyn,

Now that you are Master of the National Grange, I suppose you feel up in the world.

I am writing this letter to describe the doings that occurred back home. Since you were the only one absent, I thought it best to write you the results of what I saw and heard.

Yesterday July 4, 1965, at Hoosick Falls High School, there was a combination of events: a fourth of July celebration and a meeting of the class of '51. Purpose? To discuss the past.

At 9 A. M. we started on a tour of the school led by Marlene Archer, the first woman principal of H. F. H. S. I hear that she is running it more smoothly than ever.

Along the halls were hung paintings by the famous artists, Kalinowski and Cox, who have recently returned to the states from a tour through different European art galleries.

Following the tour we attended a parade which was led by the All-American bandleader, Jerry Bentley. After terminating his contract with Harry James, Jerry started a jazz band of his own, you know. He hired the famous Ray Hynick, who plays the tuba; Elsie Howard, the singing comedian; and Jack Mulready, the most famous drummer in the world. The music was simply divine.

In the parade there were drum majorettes from that famous "Learn to be a Majorette School" in Philadelphia. The president of that school is none other than Sandy Curtice with Ruth Tollisen as her adviser.

The parade included numerous beautiful floats entered by many organizations of the neighboring territory. For example, the entry of the New York State Grange, whose leader is the noted agricultural expert, Doug Niles, was very original in idea--a cow with Malcolm Brownell demonstrating you know what!! Written on a poster attached to the side of the float were the names of other leaders of the Grange: Carl Cottrell, Victor Grogan, Ted Kramer, Carleton Philpott, and Robert Rudd. As you probably remember, all these men were very much interested in agriculture.

Well, next on the program was the presentation of a pennant donated by the Class of '51 to the famous All-Star basketball team of Siena College. I was surprised at the names on the team roster: Nick DeLuca, Robert Merrill, William Rourke III, Robert Sheldon, and Robert Jacobsen, with their manager, James Cutler. Amazing, isn't it? Imagine having a whole team and even its manager from our class of '51! They have won all their games and are still going strong even after they had been separated by a six-year term in the service.

Well after that shocking part of the program I was relieved to see a song-and-dance routine given by Mary Jane Capano and Gladys Dooley. They were smooth! You know they are Arthur Murray's assistants now. Yes! And are doing rather well judging by their appearance.

Then, in Wood's Memorial Park, the class presented a debate given by those notorious Senators from New York: Blake, Republican, and Russell, Democrat. As you can probably remember, these two persons were always arguing. We would have had a free-for-all if it hadn't been for good old Judge Simpson. He always seemed to straighten things out (?) I suppose John Bierwirth told Ken to step in and take over so John could have time for his part of the program as the comedian. He is just as clownish as ever.

Then it was time for our afternoon banquet at which the President of

*Class Prophecy . . . continued*

the Peoples-First National Bank of Hoosick Falls, Joe Gahn, gave a speech welcoming us all back and wishing us a happy and joyful time. Joe's secretaries and bookkeepers are known to us all: Christina Carlos, Lois LeBarron, and Wilma Siemens. Remember the days when those people were worrying over their commercial subjects? Those were the days.

In due time we were each given a late edition of the **New York Times**. Well, you'll know the reason when you know that Marjorie McMahon is the editor! Yep, good old Marge. I recollect how she slaved over our **Yearbook**, hollering and yelling at us all the time. I hear from Bea Simmons, who is her advertising manager, that Marge hasn't changed a bit! And guess what? Dawn Wilbur has her own column in the paper—"Dawn's Believe It or Not."

Following the banquet we were free to do what we pleased. I walked around town and visited here and there with different fellow classmen.

I talked with little Janet Eddy, who teaches Phys. Ed. at Troy High School; and with Caroline Bornt, formerly Caroline Reagan. Married life is treating her just dandy. I jabbered a bit with Dick Coonradt, who is teaching in a mission school in Mexico. He said he really enjoys Mexico and hopes to do quite a little traveling while he is there.

I met up with David Durfee, who is president of the Board of Education in Brooklyn. I don't envy him his job, do you? I saw that grand couple, Mr. and Mrs. Louis Haynes. She is the former Barbara Metcalf. They are getting along the same as always.

I heard that Elsie Kipp, Blanche Sherman, Thelma Sharper, Hilda Wagner, Gloria Burdick, and none other than Ella Brenenstuhl, have each started a home for old maids in six different states. They must live exciting lives. Also Roger LeMere, Donald Babcock, and Ellis Jones have started a home for old men in Florida. They certainly picked a good climate and scenery for their home. Wouldn't you think with all the girls that are supposed to be in Florida they could find some to suit them? Well, maybe someday.

Have you heard that Mary Lou Snyder and Marjorie LeBarron have an orchestra of their own, and they run that famous Carol's Grove? Each takes her turn calling square dances. Exciting!

I heard that Marion Borage and Janice Robinson are both sergeants in the WACS. What an occupation to pick! I'd like to know their reasons for joining, wouldn't you?

Did you know that Dick Akin moved to Texas to start a cattle farm? Yes, and Winnie Hunt still carries the torch for him although she is very busy down in Albany with her beauty technique school which she and Sylvia Phillips hold in partnership. Every student who graduates from their school does her practicing in a beauty salon owned by Hazel MacArt and Gwen Sawtelle.

Last of all I saw the famous farmers, Fred Cottrell and Tommy Wysocki, who run a farm for Fred's brother, George. Did you know that Dolly Lavin finally made up her mind for George? They are living happily with their little crew of farmers.

Well, it was quite a long day and I rode home in my new Baker '65. This is the model designed and manufactured by that car expert, Harvey Baker.

Now I shall sign off and wish you-good luck in the future

Sincerely yours,  
Margaret Chase, Dean of Women

Our baseball team this year was made up of many veterans with lots of previous experience, which contributed to their impressive record of nine wins and two defeats.

Playing great ball, the team looked as if it would cop the county title until we met Greenwich and South High, both of whom put an end to our winning streak. Nevertheless it was a good year for Coach Eighmey and his lads.

Under the coaching of Douglas Eighmey the football team had a very successful season, compiling seven wins against no defeats. By establishing this kind of record the team was able to capture the Saratoga League Championship.

Although lacking sufficient varsity material, Coach Eighmey welded together a team that worked like a well-oiled machine. Backing up the first squad were a lot of young boys with a fighting spirit and a will to win. Only with such a fine combination as this could our excellent record have been rolled up.

This year's team had the privilege of playing a home-game under the lights. If the large, enthusiastic crowd was any measuring stick, night football seemed to have a strong appeal to the fans.

This year's team under the coaching of Douglas Eighmey, established a record of 12 wins and 5 losses, three of which came at the very end of the season. The team looked very much like a champion until the last three games when it lost its bottom and for unknown reasons just couldn't win.

Having just two men back from last year's squad, Coach Eighmey molded a team which later on was to run away with its opponents and inspire them with fear. Height, speed and a fighting spirit were our team's greatest assets.

To roll up one victory out of three remaining games in order to participate in the Saratoga play-offs seemed like an easy task for such a good team, but it wasn't possible. However our quintet did go to Convention Hall in Saratoga, where we lost the class C Division title to Ballston Spa. At any rate, the team was one to be proud of and on the whole had a good season. Our hats go off to a swell coach, who deserves nothing short of a champion team every year, Coach Eighmey.

## *Farewell H. F. H. S.*

Farewell is a word that embraces memories and anticipation—memories of all that is left behind and anticipation of all that is to come.

As we, the class of 1951, pass through these doors for the final time and start down the many pathways of life, it is with fond memories that we remember our days at H. F. H. S.—days of fun and frolic and a bit of serious work. Even the little things like taking pictures, passing notes in class, getting report cards, attending weekly assemblies and going on field trips, all have gone to make up our high school life.

H. F. H. S., you offered us an opportunity to take courses which would best prepare us for the future. You also gave us a chance to develop our talents by means of clubs and organizations.

We came to you, H. F. H. S. as children and we leave you, we hope, as adults better able to meet and take an important part in what lies ahead. We eagerly await these new experiences which are to be found in this troubled world we will soon enter. Whatever our vocations, we know we must travel along paths of unknown destiny. Yet we harbor no fears, and we lack no confidence, for we pledge ourselves to do our work and do it the best we know how. You have helped us in this goal and we say—

THANK YOU AND FAREWELL H. F. H. S.
