FORWARD

HOOSICK FALLS CE

1975 was begun with a feeling of hope for a better future. Like everyone else, the students and faculty of H.F.C.S. have felt the hardships of the past year and wish for a change for the better. But in spite of the outside world's trouble, high school life has remained virtually the same. Students still worry over weekly math tests, compare social studies notes, and discuss the latest romances. There will always be late students, forgotten assignments, and tests that have been failed. As we look back on '75, we remember all of the important happenings in our personal and school lives. Memories long forgotten may be brought back by flipping through the pages of this yearbook.

DEDICATION

The 1974-75 Vagabond is dedicated to Mrs. VonHaggin upon her retirement. We look with deep regret upon the loss of a very dedicated member of the Hoosick Falls Central School Faculty. Her hard work and congenial personality will be sorely missed by students, colleageaus and administration. We hope this yearbook will remind her of the pleasant memories she had while she was here at H.F.C.S.

SUPERINTENDENT'S MESSAGE

Mr. Leonard Superintendent

As each of you finish your high school education, remember it was only the beginning of the rest of your life. We at your school have attempted to develop the skills and concepts needed as a foundation for that future. Use them wisely and life can be exciting and beautiful. If at any time you feel your school can in some way help you, feel free to call on us for that help.

We wish each member of the class of 1975 happiness, success, and good health in the years ahead. Good luck.

Seniors

As this year's Seniors leave H.F.C.S. to start a new life, we hope they take with them fond memories of happy times. High school life has its ups and downs, but on the whole it is a very carefree and happy time. These years help to prepare us for the outside, and it is here that we start a growing fountain of knowledge. We hope that the Seniors will look back with a smile and remember the good times that they've had. Memories of friends left behind, course work, class trips, and activities will remain as the the knowledge gained at H.F.C.S. reaps its rewards.

FACULTY

Faculty

H.F.C.S. is lucky to have such a dedicated and capable faculty. In the past year, they have proved to be not only hard-working and reliable but also kind and helpful. We have added many new people who have helped us to maintain our reputation as one of the best staffed schools in the area. Many students find that they are able to be on a friendly basis with their teachers. This feeling of friendliness and ease helps to promote a good environment for learning. We hope that in future years, we will be equipped with as capable a faculty as we are now.

Varsity Football

1974 marked the first year of the merger of the old Tri-County League and the Northern Conference. The Hoosiers embarked upon the new season with a soggy 14-0 pasting of Northern foe St. Mary's of Glens Falls. This was followed by a hard fought 14-6 win over traditional, arch rival St. Peters. Injuries then began to take a heavy toll on the Hoosier manpower as Coach Baker's squad tailspinned to a 2-4-2 overall record. With the return of several key personnel, and a young, aggressive J.V. squad coming up, 1975 promises to have the Hoosiers in the thick of the race for the league championship.

J.V. Football

The Junior Varsity football squad finished their 1974 season in first place with a 6-2 record. Coach Greenberger and Coach Baker led them through another successful year with only a few injuries. The team, consisting of all sophomores, proved themselves to be very strong, and there is a promising outlook for H.F.C.S. in the future years.

Good Hoosier blocking provides another big gain for the team.

Another touchdown is in sight, with a clear path for the Hoosiers.

The 1974-75 cheerleaders of H.F.C.S. led a spirited crowd of fans throughout the sport seasons. Whether it rained or shined, the Hoosier spirit never died out, and the cheerleaders kept the crowd just as excited. The cheerleaders practiced hard in order to work pyramid mounts into their sharp cheers. They used their great Panther chants to arouse the team players to keep up their spirit until the very last moment of the game. No matter what happened in the game, the cheerleaders never gave up. They continued to cheer their hearts out to keep up that great Hoosier spirit that our school is so proudly known for.

A look of dejection comes upon Theresa Carknard as St. Peter's goes in to score on a soggy Saturday afternoon.

At the last home game the cheerleaders line up in an H formation to do a spirited individual's cheer.

The football players get a kick out of the cheerleaders.

Cross Country

Coach Russert led the 1974 edition of the H.F.C.S. harriers to a very successful season. The Hoosiers finished with a 5-5 record and showed some outstanding individual talents. Larry Baker finished in the top 30 of a very large field in the Schnectady Invitational meet.

Varsity Basketball

The Varsity Basketball team, composed mostly of Juniors, marked another successful season. They finished the season with a 13-5 record and a 3rd place finish in the Washington County League. The team, employing a rugged man-for-man defense, provided enough impetus to again make the sectionals.

Cheerleading

The J.V. and Varsity cheerleaders, under Mrs. Frazier's advisorship, raised school spirit and spurred the basketball teams on to many victories this year. These cheerleaders proved what a lot of "Panther Power" can do by making posters and hoops, raising more attendance at games, and showing their "Hoosier Spirit" all year long.

Varsity Wrestling

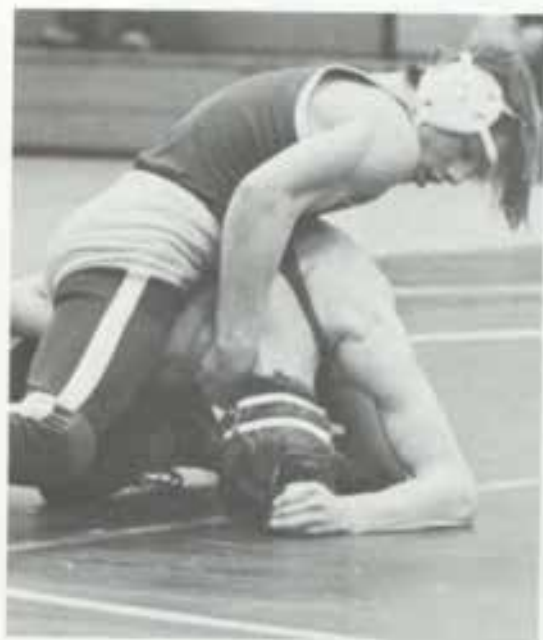

The Panther Wrestlers had another outstanding season this year with a twelve win, two tie record. Coach Baker led the team in its undefeated season, as he did last year. The Panthers also won the Washington County Tournament and the Class C Tournament. With several returning lettermen, the prospects for another undefeated season are good.

J.V. Wrestling

The J.V. Wrestlers came on strong this year with an eight win, one tie, and two loss record. Rocky Weeden, Ed Wells, and Brian Baker went undefeated during the season. With power and coaching like that, next year's Varsity team is sure to stay in top position.

Boy's Track and Field

Under the watchful guidance of Coach Russert, the 1973-74 edition of the H.F.C.S. Track and Field team suffered through a very trying season. Often undermanned, the Hoosiers kept up the great spirit and enthusiasm that was necessary in this individual sport. Several individual records were broken, primarily led by the outstanding running of Brian Harrison.

Girl's Track and Field

The 1974 edition of the "Dandelion Girls" track and field completed a successful season. They ran to a 2-2 league record and obtained second place finish in the league meet. Janet Davendonis was undefeated throughout the season in both 50 and 80 yards hurdles. Diane Brandalik was also undefeated in the softball throw. Both Cindy Sutton and Janet Davendonis attended the AAU Jr. Olympics in Rome, N.Y. in June. With several key returnees, the prospects for a successful 1975 season look bright.

Varsity Baseball

The Varsity baseball team ended its season with an overall record of 7 wins and 7 losses. Keith Buck did an outstanding job in the Schuylerville game by pitching a no hitter which resulted in a winning score of 8-0. This season marked the last one under Mr. Reeve's tutelage. With a seasoned J.V. squad ready to fill the shoes of the retired seniors, the outlook for another successful season seems bright.

Junior Varsity Baseball

The Junior Varsity Baseball team, made up mostly of freshmen, had a good year with an overall record of 9-6 and a league record of 8-5. The J.V.'s were the only ones to beat Greenwich by a 12-6 score. They had the most runs scored against Berlin, 22-5. Bob Ryan was the leading hitter with a .342 average. With more good hitters on the team this year, future prospects are good and the team could match last year's record.

Varsity Field Hockey

The 1974 Varsity Field Hockey team, in keeping with past years' standards, had a very successful season this year. The squad ended the season with four wins, two ties, and no losses. They finished the year off with a spectacular three way tie with Granville and Cambridge for first place. Next year should also prove to be successful as only four seniors are leaving the team.

It takes a lot of practice and skill to avoid an approaching opponent and get the hockey ball to the goal.

Team members and spectators watch the game closely as other members of the squad try to gain another goal.

Coaches

The success of the Hoosier sports program is in part due to the dedication and hard work of the coaching staff. In addition to the regular school routine of classwork and supervision, these men and women spend endless afternoon hours and weekends preping our athletes for the competitive seasons that they will be engaged in. The attempt to ferret out every possible talent and mold it into a cohesive unit provide a very strenuous task.

ACTIVITIES

Yearbook

The yearbook staff, under the direction of literary advisor Mr. Marozas and photography advisor Mr. Peckham, has worked hard to put together the memories of '74 and '75. Throughout the school, pictures have been taken, printed, sorted and captioned; layouts have been sketched out and drawn up; pages have been written, typed, and retyped. The Vagabond II staff has spent afternoons, evenings, and weekends to try to bring these remembrances together in one of the best yearbooks for everyone.

Student Council

The Student Council held several successful '50's dances this year as a result of last year's prosperous turnout. At Christmas-time, they presented Santa Claus with a present, and also decorated a tree and displayed it in the lobby. In the spring, they worked on plans to make areas around school with scant landscaping more attractive. Members also transacted plans to unite the high-school classes into a stronger, more co-ordinated student government.

Clarinet Choir

CLARINET CHOIR

The clarinet choir is a musical ensemble utilizing only instruments belonging to the clarinet family. Such a small group would belong to the chamber music category of ensembles. AT Hoosick FALLS, we have each member of the clarinet family present. This is not so at many other schools. These instruments include the Bb soprano, alto, Bass and Contra Alto and Contra Bass clarinets. The clarinet choir performs two programs within the community. One at Christmas at ST. Mark's Church and the other at ALL SAINT'S in Hoosick. Small buildings are used as they lend themselves easily to the small ensemble. They also perform at the K-6 assembly where all members of the instrumental music family are presented. Each year the choir attends the N.Y.S. School Music Association adjudication festival and are given a rating by the presiding judge. This year they earned the highest possible score an A. THE choir movement began in 1965 at Hoosick Falls and continues at the present time under the direction of Mr. Gaillard.

Spring Play

As March of 1974 came about, the cast and stage crew of "Cheaper by the Dozen" were busy getting ready for it's production. Under the direction of Mrs. Clintsman, The stage crew erected a life-like livingroom in which the entire play took place, and the talented cast portrayed the closeness of a family in the twenties.

A black and white photograph of a winter landscape. The scene is dominated by snow-covered trees and a utility pole on the left. The ground is covered in a thick layer of snow, and the sky is overcast. The overall mood is quiet and serene.

We

We watch the clouds breathing icicles onto the
trees
While the frosty air makes paths of steam.
Life is frozen in the night while snow piles on
the fields,
And in the morning we see images halted by
winter's touch.

Soon nature will be awakened by the warmth
of the sun,
And icy figures will courageously struggle to
live.
Spring is the renewal of earth; a time of
awareness
When we come to realize who we are and where
we're going.

Like this time of rebirth, we leave our childhood
days.
Realizing that we must now be independent
frightens us.
But like the bird soaring in flight, we have to
test our faltering wings
Before leaving to be what this life will make us.
