— With Special Thanks to a Special Teacher —

Dedicated
to Mrs.
Carpenter

A friend is someone who is there whenever needed. A teacher is someone who is there to help you learn. When you combine the two, you come up with someone very special, Mrs. Carpenter. If you ever need help with a problem or just someone who will listen to you, she's there. Mrs. Carpenter has been dedicating herself to the students of H.F.C.S. for 10 years — and so we, the Class of 1984, dedicate this yearbook to her.

We appreciate everything you've ever done for us. Mrs. Carpenter, you hold a very special place in our hearts. Thank you for all of your support!

In Appreciation:

Mr. William Peckham

Mr. William Peckham, English teacher for 30 years and yearbook photographer, will be retiring at the close of the 1983-84 school year. We will miss his guidance, his support, and most of all his dry sense of humor. We wish him good luck in whatever he may choose to do and we hope he will remember us in future years.

Mr. Gordon Brownell

In memory and appreciation of Mr. Gordon Brownell, who was a member of the staff at Hoosick Falls Central for twenty years. He dedicated much of his time and patience in monitoring the cafeteria, hallways, and studyhalls and drove us to school on many cold winter mornings. He will remain forever etched in our memories.

BEST OF FRIENDS

Time goes by so quickly, but we'll
keep holding on to what we have
my friend.

And when we must go our
separate ways.

I'll give to you my thoughts, and
say

Let's live for today my friend,
Worry not about the end.

It will come, but we won't really
Say good-bye.

Hold me in your memory; keep me
there so safely, and in time we
shall pass again, my friend.

Old Man Time he takes away our
lives, but don't you cry,

For I will always be here inside
your memory.

Don't you see, that You and Me
will always be the best of friends.

Thank You

The years would not have been as they were without the support, consideration, and experience of our class advisors. During our Freshman and Sophomore years, they helped us with the many problems we faced. Under their guidance, we undertook our own fund raising activities. Class dances, car washes, and bake sales contributed to our funds, and in our Junior year, we came together as a class to create a very memorable part of our high school years — the Junior Prom, You and I.

Now that we are graduating, we wish to take this time to express gratitude for those who have made these, our high school years, full. Marilyn Douglas and Vicky Cicero for helping us get on our feet, and especially Bill Gaillard and Michael Russert, who took on the orphaned class. We, the graduating class of 1984, thank you for all the time you have set aside for us, all the work you have done, and all the support and encouragement you have bestowed upon us. We will be leaving that which has become our home; a place of learning, friendships, and experiences. You have made our stay worthwhile. Again, we thank you.

MARK RICE leaves the bus with one more seat.

MISSY RIVARD leaves H.F.C.S. hoping to never have to take a noon hour gym class again.

MIKE ROWLAND --

A REALLY GREAT YEAR

Varsity Football

Success was the theme for our football team this year. Although major upset against Schuylerville shook up the team, we still ended the season with a 7 and 3 record and as the Super bowl winners. It was a great season, especially for the Seniors. They will be missed next year.

Varsity Field Hockey on Top Again!!

The Varsity Field Hockey Team has a very successful season. First year varsity coach Cindy Thompson led her players to a league championship and 2 sectional game wins. Thrilling wins against Mt. Anthony and Schuylerville highlighted the Panther girls' season. Senior co-captain Heidi Beck and Lauren Petersen anchored the defense with their outstanding leadership and skillful play. The offensive attack was led by Aimee Frank and Brooke Niles. Next year's team should also be successful and we seniors wish them good luck.

J.V. Field Hockey

The J.V. Field Hockey team had an outstanding season, finishing 1st in the league with a record of 12 wins, 0 losses, and 2 ties. Freshman Tricia Danforth led the team offensively by scoring 13 of the team's 33 goals. The defense, led by sophomore goalie Cherie Miner, allowed only 3 goals while scoring 11 shut-outs.

Please give me the ball . . .

Cross Country

The 1983 Cross Country team again had a winning season with a fine 8-4 win, loss record. Leading the team were Jeff Myers and Brian Harrison as Captains. The boy's team placed 2nd in the Greenwich Invitational, 4th at Galway, and 5th at the league meet. Although no team scores could be kept for the girl's team, Eileen O'Malley and Colleen Reeve consistently placed well at the meets. Seniors Jeff Myers, Chris Marsh, Leroy Smith, and Colleen Reeve will be missed, but the team looks forward to another winning year in 1984.

The 1983-84 Basketball Team season was a good one for us. This season's team consisted of three seniors: Robert Sheffer, John Liporace, and Robert Kowalik. They contributed a great deal to the success of one of Hoosick Falls' finest teams. We won the Glens Falls Christmas Tournament, and Robert Sheffer was selected for the most valuable player award. In addition, we won the Wasaren League with a 12-2 record, the Class CC Sectional Title and the combined Class C-CC title. We played in the Capital Conference Regional play-offs. The team played 25 games winning 22 and setting a 12 game winning streak which was also a school record. Winning 5 sectional games was also a record.

Juniors Howard Dewey, Wayne Magisano, and Joe Scott played big roles in this season's success and Sophomore Thomas McMahon also played a key role throughout the season.

Everyone is amazed at how high Wayne can jump.

J.V. GIRLS' BASKETBALL

The 1983-84 J.V. edition of girls' basketball at HFCS got off to a great start! With a nucleus of returning sophomores and bolstered by an abundance of freshmen, the girls traveled to Rensselaer to participate in an ultimately "bring home the gold" to HFCS. Following this great initiation, the girls, numbering 16 in all, proceeded to dominate the WASAREN league. With few exceptions, the girls played flawlessly, compiling a 14-3 overall record and 11-3 league record. With obvious spirit and an abundance of skill, the statistics really show what team play is all about, as the offense netted an average of 33 pts a game, while the defense confined other teams to a stingy 25 pts. nightly.

Best wishes for a successful athletic and academic future here at HFCS to these fine young ladies.

Cherie is surrounded!!

Tammy shoots for two.

Varsity Wrestling

The Varsity Wrestling team ended the 1983-84 year with a 12-2 dual meet record and as Washington County League champs. The team also won the Spencer Van Etten, Mechanicville, and Wasaren League tournaments and defended its Section II Championship by winning the class 'C' tournament. Next year's Varsity Wrestling team will miss the following seniors who have worked hard throughout their high school years to defeat their opponents and carry on the Panther reign: Brett Miner, Dennis Gardner, Chris Marsh, Mark Rice, Bill LaPorte, Shawn Skaflestad, and Bill Chapones. With the excellent coaching of Mr. Ken Baker, next year's team is sure to be a success!

Hey Tinkerbell!!!!

The girls track team had a very successful 1983 season. Captains Cindy Neil and Lauren Petersen led the team in scoring. Our strength lay in our sprinters, Tricia Danforth, Alice Morandi, Chris Esposito, and Jennifer Hunter. Distance runner Karen DiPippa also contributed to our great season. We had a farewell to our coach Dan Cullinan — We will miss his help and abilities. This season should prove to be equally outstanding because of the return of all but Cindy Neil. The tracksters closed out their season with an 8 and 2 record.

New members included 8 seniors, 3 juniors, and 2 sophomores, bringing the total to 34 members. Members are selected by a representative council from the faculty, based on the student's display of high standards of scholarship, service, leadership, and character. The candlelight induction ceremony was followed by dinner for members and their families. The group was involved in many activities including cupcake sales, caroling at the Health Center, and high school dances. The Honor Society also gave donations to local organizations including the Youth Center, Rescue Squad and Fire Department.

During the Parent-Teacher conferences, members acted as guides and served refreshments to parents and faculty. The Student Council, under the leadership of Miss Cicero, looks to expand and assist with important school and community functions.

Senior Band

The Senior Band will maintain a busy schedule this year. The annual Christmas concert was highlighted this year with a narrative of 'Twas the Night Before Christmas'. They will also play a pops concert, participate in the Memorial Day Parade and perform at the annual high school band competition.

The exemplary members of the band are honored every year in the Rensselaer All-County Band. This year our band was represented by thirteen members.

The band extends their thanks to Mr. Everly for his patience, encouragement, and understanding. We hope he continues to be a part of the music program at Hoosick Falls for many years to come.

Junior Band

The Hoosick Falls Central School Junior Band is a talented group of seventh and eighth grade students who perform many concerts and parades each year.

At a recent competition in which the band participated, they received a perfect score of A+.

The band works hard, and the talent determination is mutual among all members, and it is this common interest that creates a healthy and cooperative atmosphere within the bandroom.

Say What???

WRESTLING PEP CLUB

This year, as many in past, the Wrestling Pep Club has managed to achieve its one primary goal — to support and aid our wrestling team and Coach Baker through a successful season. The members, under Mrs. Towne's guidance, have worked together making floats and posters, selling refreshments to our wrestlers, and keeping "sork" stock, and score at home matches.

Our girls worked to keep the Panther Spirit going throughout every match, and even when all hope seemed lost, at least one Wrestling Pep Club member could be heard cheering from the stands.

Many thanks to both Mrs. Towne and Coach Baker for their support and understanding this season, along with thanks and congratulations to the wrestlers for a very exciting year.

Senior Winter Ball

Hey, where's the party??

Which one would you choose?

Here's to you!

January was a month filled with festivities and among the more memorable of them — The Winter Ball. Supplying the entertainment for the evening was Sweet Silver Blue and in both The Dating Games and The Newlywed Games were found surprising and often humorous anecdotes of our teachers and peers.

It was a fun-filled evening for all, and one that will be remembered well as we look back on our years at Hoosick Falls Central.

Yearbook Staff

Through the months of hard work and determination the yearbook staff suffered many drawbacks and problems. However, their will prevailed and the task was accomplished with happiness and spirit.

We would like to thank the following people for their hard work and support: Denise Brownell and Chris Hoffman for being business administrators, Maria Paz La Porte for her ability to keep us going, Toni DeLuca for her help with Senior and Sports sections, and Jill Griesemer for her contributions to written works.

But last, and most especially, we would like to thank Chris Esposito and Lisa Kongsvik, co-editors of this yearbook, whose will, patience, and experience led us to completion of a huge but worthwhile project.

Mrs. Linda Harrington was an inspirational and dedicated advisor to the staff and deserves a big thanks from all of us.

Joyce and Chris ponder the work load that remains, prior to the final deadline.

The Egg and I was a comedy performed by several high school students on May 6-7, 1983. It showed the struggles and hardships of the McDonald family who moved from the city to a chicken farm. With two spoiled daughters, Betty and Don McDonald try to make a living in spite of a leaky roof, unexpected guests, and several other problems which combined to make a truly hilarious scene. A good performance that will be long remembered!

The Wizard of Oz

The Hoosick Falls Central School Drama Club presented *The Wizard Of Oz* on November 18th and 19th of 1983. The favorite musical was presented with vivid character portrayal and colorful scenery arrangements.
