DEDICATION

Mr. Harry Michie

Since 1958, Harry Michie has been a loyal member of the Hoosick Falls Central custodial staff. He prepares the school each morning for the many students and often stays late for athletic events or extracurricular activities. Through his leadership, the Hoosick Falls Central School has become known for its cleanliness and upkeep. To cap off his career, Harry Michie acted as the Clerk-of-the-works for the major renovations that have taken place in the past year. *For all your hard work and dedication, the Class of 1987 thanks you.*

IN MEMORY OF A SPECIAL FRIEND

*I Said A Prayer
For You Today*

*I said a prayer for you today —
And know God must have heard —
I felt the answer in my heart
Although He spoke no word!
I didn't ask for wealth or fame
(I knew you wouldn't mind) —
I asked Him to send treasures
Of a far more lasting kind!
I asked that He'd be near you
At the start of each new day
To grant you health and blessings
And friends to share your way!
I asked for happiness for you
In all things great and small —
But it was for His loving care
I prayed the most of all!*

Samantha Ann Schafer
1969-1984

Her unexpected death brought grief to us all, but joined us together in our respect for life.

We remember Sam as a free spirit who put aside the petty grievances of life and sought instead its joyous adventures.

We'll never forget the happiness she brought into our lives and we'll always remember those good times that we shared with her.

Sam, we'll carry a part of you for the rest of our lives, until we meet again.

Looking Back at The Class of 1987

I could not prove the years had feet,
 yet confident they run
 Am I, from symptoms that are past
 And series that are done.

I find my feet have further goals
 I smile upon the claims
 They felt so ample — yesterday
 Today's have vaster claims.

I do not doubt the self I was
 Was competent to me,
 But something awkward in the fit
 Proves that outgrown, I see.

If you think you are beaten, you are
If you think you dare not, you don't.
If you'd like to win but you think you can't,
It's almost a cinch you won't.

If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellow's will —
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To stronger or faster man;
But soon or late the man who wins,
Is the one who thinks he can.

1986 brought a new sport to the HFC5 athletic family, the lifetime sport of golf. A twelve man team inaugurated what was to be a remarkable season.

Five experienced Eagles coupled with seven inexperienced Panthers provided not only the stability, but the depth which proved to be the winning differential in many competitive situations.

League play consisted of 14 team matches, played under a "match-play" format. At the conclusion of the regular league play the Panthers sported a 13-1 record which included a super team effort, which was highlighted by a 40 match win streak by Greenwich. The team went on to again defeat Greenwich in a divisional tiebreaker, placed 3rd in the Sectional II qualifier and finally capped the season by nipping Whitehall for the Northern Conference Crown.

Team members are to be congratulated for their hard work and determination which culminated in a truly memorable initial season. It is hoped that the 1987 Panther team will do equally well.

Football Cheerleaders 1986

The 1986 Football cheerleaders displayed much school spirit throughout the season. By adding 10 new girls to make a J.V. squad the cheering was louder than ever. Mrs. Tammasino, our new coach, was a great help. She encouraged all of us, even in the pouring rain. Mrs. Tammasino also taught us many cheers from her high school days. We've got SPIRIT!

What seemed inconceivable back on December 9th, 1986 became a reality 104 days later on March 21 — The winning of a State Championship. Our 1986 Lady Panthers have made our school famous; they have gained immortality by being the first team in the history of Hoosick Falls to win a New York State Public High School Championship.

The J.V. Softball team completed its season with a league record of 13 and 1. This made them the "unofficial" league champs.

The team statistics at the plate should make the varsity coach smile. The team scored more runs per game than any other league team and the defense and pitching held the opposition to the fewest earned runs.

Looks good for 87!

The Varsity softball team advanced to the Regionals this year; marking the furthest any HFCS softball has gone. To their credit, they earned an impressive 22-2 record, first place in the Bennington Tournament and Wasaren League, Section II and Class C-CC titles. With 7 returning players the 1987 season should prove to be a successful one.

 CHRISTMAS AT OLD KING COLES

The Drama Club would like to dedicate this page to the memory of Mr. Calvin Pedersen. For many years he gave of his time, patience, and love to help students put on productions. Mr. Pedersen was the first teacher to do a musical with the students. His first musical in 1965 was "Tom Sawyer." His final production last year was "Anything Goes." He left behind a legacy of love for the theater in the students he touched.
