VAGABOND

Although most people only know Mrs. Linda Harrington as a kindergarten teacher, to the yearbook staff she is our life support and friend. Over the years, she has performed the thankless tasks of the yearbook advisor, ensuring seniors and underclassmen receive a yearbook that preserves memories of their class, school, and learning experiences. So being that this dedication is a long time in coming, we thank her for her support and encouragement, and wish her luck with the next yearbook.

Thank you,
The Yearbook Staff
and Class of 1988

We dedicate this book to Miss Vicki Cicero, our friend and teacher. As a class we were fortunate to know her, not only as a teacher but as a person. She gave so much and in return expected our best efforts in whatever we did. Not only did Miss Cicero dedicate her whole life to teaching, but she showed concern for her students' personal wellbeing. She was always there for support, advice, and understanding. She taught her students academics but more importantly she taught about life and friends. Miss Cicero was a great inspiration and we will carry her in our hearts forever.

Thank You,
"Class of '88"

The opening of the 1987 school year saw the '87 Panther golf team hard at work sharpening their skills for the first Northern Conference title defense.

With the loss of five experienced members from the '86 squad, the seven returning players certainly had their work cut out. Looming in the distant schedule, were Witches from Greenwich and the Railroaders from Whitehall, teams which would mount the most significant challenge to the success of the Panthers.

Behind the steady play of Seniors Maleady, LaPorte and Abbott, in addition to the efforts of Junior Co-captains Mulvihill and Scott, the Panthers quickly jumped off to a quick 4-0 start. The players shot low numbers, resulting in everyone running their matches.

The second half of the season saw no opposing team scoring more than a single point in competitive action. With the team boasting an impressive 10-0 divisional record, it was on to Sectional play where they again placed third. The Northern Conference Championship match took place at the famed Saratoga Spa championship course. The determination of the Panthers prevailed as they scored an impressive 3-2 victory, successfully defending their Northern Conference title.

Looking to the future in '88, the Panther team will attempt to blend players with varied experience and skills. In the off season the golfers will work hard to make the second defense of their Northern Conference title a success.

The 1987 season started on a high note with many experienced players returning, but the squad was hurt by injuries and ended with a 2-6 record. The highlights of the season was our homecoming victory 24-6 over Granville. Leading this year's team were Captains Jody Harrison and Par Hodgson, and teammates Brett Baker, Tim Maroney, and Billy Blinstrub. The future for the Panthers looks bright with both the Junior Varsity and Modified teams going undefeated.

The Student Council had a busy year with many activities. They raised money selling pompoms and refreshments at the girl's home basketball games. October 22, 23, and 26 was homecoming week, with dress up days, each with their own themes. October 24, was the big Powder-Puff football game between the seniors and juniors. The seniors won. At Christmas time they bought clothes for less fortunate children in the community of Hoosick Falls, which was called the Christmas Wish.

There was a fund drive for a new sign in front of the school. It will be dedicated in memory of Victoria M. Cicero. The Annual Blood Mobile was held in May in the high school gym. The Student Council members worked hard and had a very successful year.

The Hoosick Falls Junior Band is one of the most active groups of its kind in our county. In addition to receiving an A at last season's contest, they performed twice in Albany, once for the NYSSMA Music in our School's Month, and again for the BOCES Art and Music Festival.

This completely uniformed junior band also performs for three parades in the Hoosick Community. Each year they parade in honor of our service men during the Memorial Day ceremonies, in both Hoosick and Hoosick Falls. The Little League Season is opened each year with a parade led by our junior band.

Selected students performed at the All County Festival, with the All County band on January 23.

This is a band that has an excellent reputation throughout the county and we are proud of their work.

GRADUATION DAY

Today we'll start a new life
And we'll say our last good-byes
To all our Friends we've grown to love
With whom we've laughed and cried
Remembering the fun and laughter
The problems and the fears
And watching all our memories grow
Throughout our high school years
The memories of all the dances
And the new friends that we've met,
Vacations, teachers, talking
And exams we rather forget
Yes, our high school days are precious but brief,
Where all our dreams came true,
It is not the end, but the beginning
of a life we'll start anew —

In Memory

Miss Cicero was a great teacher and a true friend. She had the right perspective on life. Even with all the problems she encountered with her cancer, she remained optimistic and hopeful that everything would be okay. Miss Cicero expected great things of her students as she did of herself. She knew that if you set your goals high and always did the best that you could do, that you would be happy. Miss Cicero taught us to believe in ourselves and never limit our possibilities. We were very fortunate to have known such a special person and the short time we spent with her will always be treasured.

Her educational philosophy was, "A child is not an empty vessel waiting for me to fill it up with knowledge. A child is a vessel full of hopes, dreams, opinions, fears, facts, and fancies. My hope is to make a little room in that vessel and incorporate math into their lives so that it fulfills a useful purpose. There are some vessels, however, who are so tightly shut I can't get anything in to them. But, I keep trying."

Poem

By Vickie Cicero

*Some people set their goals so low
They have to bend to reach them,
And then they let their failures
Frustrate and deceive them.
They begin to think that they are dumb;
No ideas can penetrate their brains.
Instead of life full of sunshine and light
They live in darkness and pain.
Now if those people would take their goals,
And place them way up high,
They'd have to stretch and reach and grow
To face them eye to eye.
The success that would follow would lighten their
load
Their lives would be happy not sad;
They'd exercise that brain into a fine tuned machine
That will surely make them glad.
How do you see yourself, my friend.
Bending low or reaching high?
You will find, in the end, my friend,
Your only limit is the sky.
So give yourself a mental boost
Have faith you can succeed!
You'll find out much to your surprise
That self confidence was your only need.*
