DEDICATION

The class of 1989 would like to dedicate our yearbook to William H. Gaillard. Mr. Gaillard has contributed countless hours to our school and community.

For twenty-three years Mr. Gaillard has taught children to play different instruments. He has also been the junior class adviser for six years. Being class adviser is a demanding job, especially around prom time.

Mr. Gaillard has also contributed many hours to our community. He conducts the Hoosick Falls Community Band, is a member of the Town of Hoosick Lions Club and is very active in the Town of Hoosick Rescue Squad.

We would like Mr. Gaillard to know that his many years of service and dedication have not gone unnoticed!

Thank You,
Class of 1989
and
The Yearbook Staff

Mrs. Decker was our advisor, and the following people were officers: President — Don Starr, Vice President — Lori Schlauch, Secretary — Rachel Cipperly, Treasurer — Merle Waltz, and Sergeant at Arms — Carey Murphy. Homecoming was the first event of the year. It was very successful. The halls were decorated according to class themes. The Student Council was also in charge of the Christmas Wish, where we bought clothes for the needy. We also sponsored another successful Bloodmobile this year.

A Note of Thanks

The officers of the Student Council would like to thank Mrs. Decker for all of her help and guidance this year. Without your help this organization would not be as successful as it is. You're the greatest!!

We also meet after school to put together our ideas, pictures, and pages. We have worked hard all year to make this yearbook what it is. We hope that you appreciate it. The Hoosick Falls Central School "Senior Band" is comprised of two completely different units. Each group has its own separate goals and purposes.

The "Concert Band" plays music which ranges in style from popular to symphonic. This group gives several indoor concerts each year. The "Christmas" season concert accepts donations to aid needy families in our area. Other concerts include the "Pops Concert" and both "Spring" and "Fall" concerts which feature music of a more serious nature.

The "Marching Band" participates in three Memorial Day parades, Flag Day exercises, and any other such occasion needing music outdoors.

Many of our students are selected to play in the All County Music Festival. This year James McGovern played with the All County Jazz Band and earned several solo parts with that group.

The Band, instructed by H. Luther Everly, had over 120 members this year. The final performance was graduation day.

Good Luck to our graduating Seniors, we will miss you!

COMPUTER CLUB

Advisor: Mr. Lang
Members: T. Drescher, D. McGovern, L. McGovern, J. McGovern, B. Bryant, M. Rancourt, M. Bailey, J. Thompson

Computer Club is a club set up for students in grades 7-12 who want to use computers as an educational tool or as an experimental tool. Some students come to write programs pertaining to courses they are taking in school. Other students come to work on programs that are already written but they want to put their own personal touches to the program. From time to time we will experiment with projects dealing with graphics, word processing, or BASIC programming for the beginner. We have a wide variety of student abilities from the beginner to the experienced. The Computer Club gives our students time to come and use the computers. For some students, it is the only time during the week or their years at HFCS to use our computers. They just don't have the time to fit a computer course into their schedule. Overall, it is fun for all and at the same time the students are learning how to use a computer and become aware of its capabilities.
