FAREWELL . 112

91

I wonder if I can stick my whole hand in my mouth?

My way or nothing.

Wink, wink. I mean you, honey.

I'm a graduate of PeeWee Herman's face-taping school.

WAIT!

Is that the way you smile or are your lips glued together?

You won't be smiling when I get finished with you.

Now that I have her what should I do with her?

A DAY IN THE LIFE OF DOC

Mr. "Doc" Waltz is the Chemistry and Physics teacher here at Hoosick Falls Central School. This is his thirtieth year at HFCS although he'll tell you it's only his tenth. He has always taught Chemistry and Physics but has also taught Algebra I, Algebra II, and Math II. Doc's favorite subject is Chemistry; why — "just like it." Room 215 is the "Doctor's Room." It always has been and continues to be Doc's corner of the world.

When asking Doc about his students over the years, he replied, "All my students are my favorites, and why, because I love 'em." One group of Doc's "favorites" tested his patience once however, when they started toasting marshmallows in lab. If you've ever had the pleasure of having a noon hour lab with Doc, have you ever wondered how many times a day he eats lunch? Well, I have, so I asked him. He told me he only eats lunch once a day — then he laughed. His favorite lunch includes a ham and Swiss cheese sandwich, a pickle, cheese and crackers, chocolate chip cookies, iced tea, and milk. So if you need a few points in Chemistry, think about making him a lunch.

Doc claims that he has never graduated from high

school. On the contrary, he has not only graduated from high school but has attended several colleges. He received his Bachelor's Degree from Keene State College and his Master's Degrees from the University of Massachusetts and Union College. And yes, "Doc" has received a Doctorate from the University of Massachusetts. Doc also studied during his summers at Wesleyan University, Albany State, the University of New Hampshire, the University of Vermont, and North Adams.

Doc's accent is from North Dakota. No, just kidding, it's from New Hampshire. Doc resides in East Hoosick with his wife of twenty-five years and his dogs Andy and Clyde. His son attends the Albany College of Pharmacy and his daughter studies at Union College.

Mr. Waltz's retrospective look at his thirty years at HFCS had led to his conclusion that "the emphasis upon academics has deteriorated" due to the "influences of society."

On behalf of his "favorites," I'd like to thank Mr. Waltz for expanding our knowledge of Chemistry and Physics and wish him luck with the future marshmallow toasters of America.

Quote: "Many paradigms are not worth one wooden nickel, let alone two."

HOLD ON TO

The theme for the 1990 Junior prom was **Hold on to the Night**.

Prom Court was composed of: Nicole Matte and escort Bill Fitzpatrick, Stacy Brownell and escort Jesse Cormier, Molly McGovern and escort Ben Farrell, Nicole Kempf and escort Eric McCart, Rachel Niegoda and escort Jason Rabideau, and Kathy Sukuskas and escort Todd Brennstuhl. The prom King and Queen were Jamie Philpott and Traci Davendonis, with the Prince and Princess Adam Sargood and Andrea Weeden. The returning King and Queen were Tylar Myers and Rebecca Hewson.

The graduating class of 1991 broke tradition and was the first junior class to hold the Grand March in the auditorium. This gave more room for guests, and maintained a more orderly fashion.

The gym was decorated with traditional school colors of blue and white balloons, and silver and blue streamers.

The evening ended with a trip to the Ramada for an After Glow Party. There was swimming, dancing, movies, and a buffet.

I'm special, and I know it.

I am Pete, hear me roar!

They must be up to something, they're smiling.

On the count of 3 we all dunk Todd!

Please! Don't let me trip!

Oh my gosh, it's huge!

Move over Hula Girls, Khalil is here!

H.F.C.S. Students Showed Their Spirit Homecoming Week

Homecoming week started with the decorating of corridors. The hallways were decorated as follows: freshmen — Locations in New York, sophomores — Dreams and Nightmares, juniors — Problems of Society, seniors — Toon Town. The class of '93 was voted to have the best hallway.

The week that followed involved participation by most students. Dress-up week began on Tuesday with dead-head day, Wednesday was guy dress as girl, girl dress as guy day, Thursday was pajama day, and Friday was blue and white day followed by a pep-rally.

Saturday morning began with a powder puff football game. The participants were the senior and junior girls. The juniors won 12-0.

Later that morning the varsity football team defeated Schuylerville 17-0 in their homecoming game.

Homecoming elections were held and the court consisted of freshmen — Tonya Cummings and Tom Cherisello, sophomores — Elizabeth Johnson and Jeremy Scott, juniors — Carrie Bogardus and John King, and the king and queen were Todd Brenenstuhl and Jan Ogden. The dinner dance was held Saturday, October 13, 1990, at the La Saletta. Kevin Callahan was the DJ.

Thank you to Ms. Holbrook and her escort, and Mr. and Mrs. Clintsman who were chaperones of the dance. Also thanks to Mr. Baker for the Pep Rally.

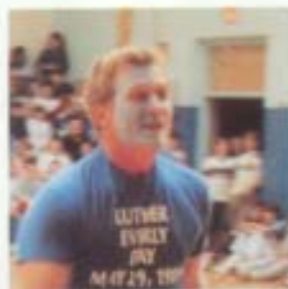

We're it! Six problems of society!

Is this Homecoming or the Miss America Pageant??

What it's like to be an exchange student!

It's sometimes very hard to be an exchange student. You come to a new place where you don't know anyone. Everything is different from what you are used to, like the customs and the language. You have to be very sharp and use your brain all the time — because you don't speak your natural language. You don't have your mom and dad's safe shoulder to lean on. But that's why you are an exchange student. You want to learn about different ways of living, what other people's weekday is like and how they celebrate festivals. The first time you meet your host family you are exhausted and hopeful. You hope they don't find you weird and are afraid of doing something wrong.

The first day of school . . . Do I have to say more? The schedule,

the classrooms and the lockers were so confusing. First period keyboarding in room 210 where could that be? Second period Social Studies in room 204, where could that be? Four minutes to try to find it. Anyway I enjoyed it. I found the right room for all my classes and got there in time. When you are so far away from home, your family and your friends, you are more sensitive. Small things can hurt you and almost anything can make you cry. Actually it's not that bad to be an exchange student. It's just different, fun, educational, emotional and exciting. It makes you mature, more individual and more worldly. I hope this year will be great and I will never forget it.

Computer Club is an informal group of junior and senior high students. Students work on different kinds of projects and software programs. We have a wide assortment of student abilities from beginner to experienced. Computer Club gives all students the opportunity to use the computers for personal as well as school projects. More and more students every year are finding out how easy it is to use computers for such things as reports and term papers. The Computer Club gives the students a chance to use a computer and become aware of some of the capabilities that it has in our ever changing world.

Andrea isn't as easily distracted as Diane . . .

Bridget is having a much easier time with identifications than Carol and Charity.

The yearbook staff is made up of hard working, dedicated, high school students who meet after school once a week. Every detail of the yearbook is put together here. Our advisor, Mrs. Linda Thomas, aides us in making difficult choices that effect our yearbook.

The yearbook staff would like to thank Mrs. Thomas for all her hard work. We would also like to thank Miss Crannell for the countless pictures she has given us. And a special thanks to Randy Roberson for designing this year's cover. Thanks for the great cover!

SPRING 1990

GOLF

"Repeat" was the byword of the 1990 Panther golf team. Driven by the desire to not only win, but to improve themselves. Individually, Panther linksters made the most of their summer to hone their skills and to come ready to compete for their fall season. And prepare they did!!

Led by a bevy of underclassmen and anchored by Senior captains Ben Farrell and Chris Haynes, the 1990 edition breezed through the newly named WASAREN GOLF LEAGUE with a minimum of trouble. To this end, the schedule was expanded to include Class B competitors Queensbury and South Glens Falls.

Records were made, extended and broken. Personal goals were modified along the way to reflect team goals that had been reached. Personal skill development will be a motivational goal again this summer. The team finished with perfect 9-0 league mark and 10-3 overall.

Thanks for the great season guys!!

The byword for next year — THREE-PEAT!!!

The 1990 Varsity Field Hockey Team had a remarkable season. Under the direction of first-year coach Michele Robliotto, the Lady Stickers finished their season with an overall record of 23 wins and 3 losses. They proved to be a team of champions throughout their season winning several titles as they progressed up the ladder to become New York State Champions Tournament Finalists. The skillful offense and strong defense that the Lady Panthers possessed carried them to victories. Many everlasting memories were created on and off of the field which will be reminders of an unforgettable season.

We, the members of the 1990 Varsity Field Hockey Team, would like to thank our loyal fans who offered us encouragement throughout our season. We would especially like to thank our Number One Fan, Mr. Hunter. We would also like to wish the best of luck to the 1991 Hockey Team.

TOP PERFORMERS

JAKE GARDNER, Hoosick Falls — Gardner was the second Panther wrestler to win a Class C wrestling title over the weekend as he held off Tamarac's Scott Curtis at 112 pounds.

CRAIG STEVENS, Hoosick Falls — Stevens showed he's no 90-pound weakling as he won the Section II Class C 91-pound wrestling title with a technical fall in the second period against Dan DelosSantos of Mechanicville.

UPS AND DOWNS: Jake Gardner of Hoosick Falls throws a fist jubilantly into the air while Scott Curtis of Tamarac buries his head in his hands after Gardner won the 112-pound final in the Section II state wrestling qualifier yesterday.

MECHANICVILLE, N.Y. — The Hoosick Falls wrestling team went 1-0-1 in a tri-meet Saturday, dropping Schuylerville 46-15 and tying Mechanicville, 36-36, to run their season record to 4-7-1.

Against Schuylerville, the Panthers got wins from Craig Stevens (98 pounds), Tim Moseley (105), Tom Rondeau (112), Jake Gardner (126), Terry Hastings (138), Dan Taber (145), Jason Rabideau (155), and Joe Gaucher (175).

Panther coach Jim Sutton was particularly pleased with the performance of Rabideau, who at 155 pounds decisioned Schuylerville's Scott Wilson. Wilson was unbeaten at 13-0 prior to the match.

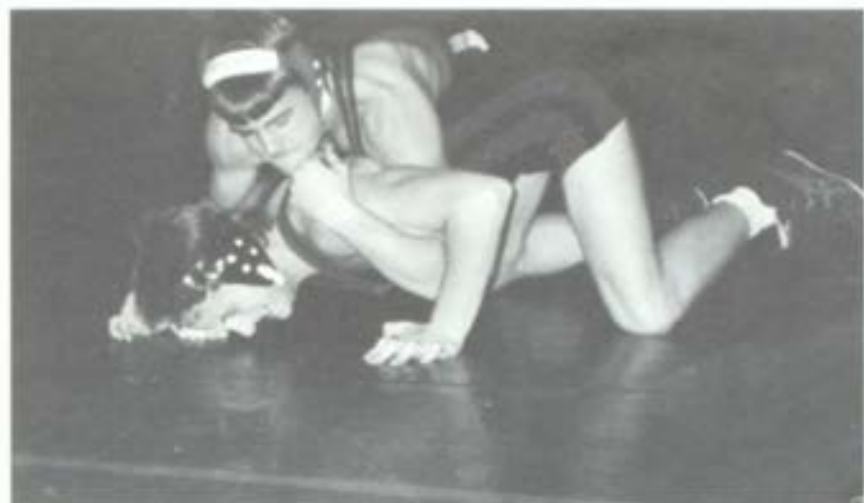

CAPTAINS: Tom Rondeau, Jason Rabideau

Hoosick Falls' Gardner also going to Syracuse

That confidence was shaken early in the match, however, as Curtis scored a takedown for the early lead. Gardner recovered to tie the match late in the first period and midway through the final period scored on a reversal to win the match, 4-2.

Panther grapplers win and tie in tri-meet

HOOSICK FALLS, N.Y. — The season ended for all but three members of the Hoosick Falls wrestling team Saturday night at the Section II Class C championships that were held at the Central School. A crowd of over 700 excited fans saw Craig Stevens and Jake Gardner win individual championships for the Panthers, a squad that sent just eight competitors to the tournament and still managed to finish in seventh place with 92 points.

Stevens selected the defensive position at the start of the second stanza. In the short span of 18 seconds, he reversed and nearly pinned Delos Santos. The 15-0 score was good enough for a technical fall and the championship.

Panther wrestler Willie Backes immediately pointed out that Ste-

vens had just become the first junior high school wrestler from Hoosick Falls to win a sectional championship.

"He's had a heck of a year for me for an eighth grader," Sutton praised. "He wrestled real well tonight. He was very aggressive."

Stevens, Gardner, and Rabideau will compete in the Section II Championships to be held on Monday, February 18th, at the Glens Falls Civic Center.

"It was a difficult year," stated Sutton at the conclusion of the tournament. It's not over yet for three Panthers, and possibly the best is yet to come.

HOOSICK FALLS, N.Y. — Hoosick Falls wrestling coach Jim Sutton reached into his bag of tricks Tuesday night and pulled out a stunning 43-25 WASAREN League victory over Tamarac at the Central School. His coaching tactics sparked a short Panther string of pins and left the Bengals with a loss and no explanation as to what had happened.

Panther Terry Hastings, (up from 138) made Sutton look good when he pinned Scott Messemer in 4:18 of their 145-pound contest. Hoosick Falls led 25-19.

Sutton's coaching tac-

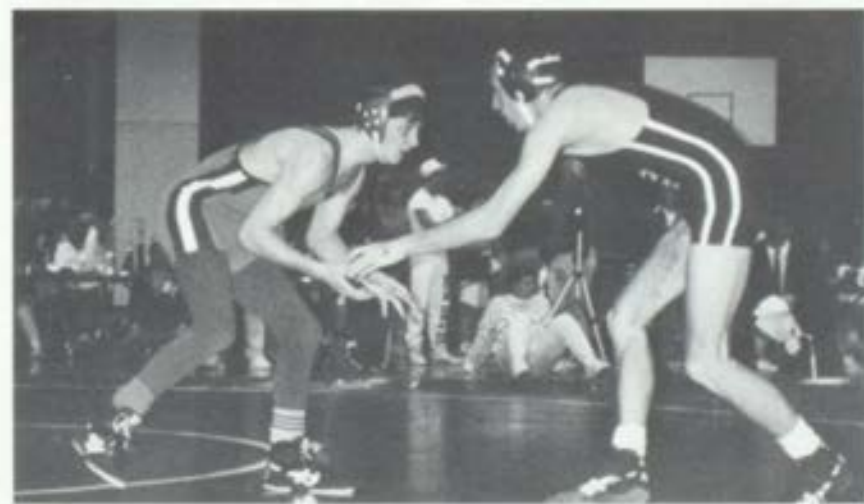

tic became almost a touch of genius when Panther Dan Taber (formerly at 145-pound starter) won by fall over Todd Dayton in 1:22. Hoosick Falls suddenly led 31-19.

Jason Rabideau is ranked fifth for the Panthers in Section II at 155. He moved up to 167 and won by default as Tom Brandon was injured in the first period and couldn't continue.

The icing was put on the victory when Joe Gaucher of Hoosick Falls won by fall over Sam Wilcox in 3:00 at 177. The Panthers forfeited the heavyweight match and it made the final score 43-19.

Hoosick Falls' wrestler Jake Gardner tackles Tim Rigney of Averill Park in the 112-pound Washington County League Tournament final match which was won by Gardner.

TAKE A LOOK INSIDE AT THE THINGS TOO GOOD TO BE FORGOTTEN...

INSIDE

The 1990-1991 Wrestling team was low in numbers. Having graduated five solid varsity wrestlers last year and not replacing them left a serious void in the team's aspirations.

We did however, return a strong lineup of lightweights, with Jake Gardener, Tom Rondeau, Jason Rabideau, Willie Backes, Tim Moseley, Dan Browe, and Craig Stevens. Terry Hastings, Dan Taber, Terry Gifford, and Joe Gaucher gained valuable Varsity experience.

We looked forward to team improvement but concentrated on individual achievement.

Panthers upset Valley

SCHAGHTICOKE, N.Y. — The Hoosick Falls girls basketball team upset previously undefeated Hoosic Valley last night, 45-44, on a put-back by Nicole Kempf with 12 seconds remaining.

Kempf led Hoosick Falls with 28 points, and added 10 rebounds and six steals as the Lady Panthers ran their record to 7-2. Hoosic Valley dropped to 10-1.

The Lady Panthers led by 24-22 at the half, but Hoosic Valley stormed back and took a ten point lead with six minutes left. The Panthers' full-court press brought them back, as Kempf and Megan Bigelow hit key baskets and Denise Taber came up with a big steal.

The winning bucket came when Kempf rebounded and put in a missed shot by Maggie Gulley with twelve seconds remaining to give the Lady Panthers the 45-44 margin of victory.

"It was close all the way," said Lady Panther coach Bob McGuire. "There was good defense played by both teams. We played outstanding defense."

Gulley led the Lady Panthers with eight rebounds and added six points, while Bigelow pulled down seven boards and Taber snared 10 steals.

HOOSICK FALLS — Jesse Cormier scored twice and Mark Nicholas added a goal as the Hoosick Falls boys soccer team clinched the WASAREN league title by downing Cambridge yesterday 3-0.

Cormier has scored 25 goals on the year, but the big story in this game was the strength of the Panther defense.

"The wind was a big factor," said Panther Coach Greg Wilson. "It must have been blowing 35 miles per hour. That's what makes it such an incredible feat that the defense held them in check all game. I just can't say enough about our defense."

Wilson included defenders Tom Chirasello, John King, Andreas Krapp, goalie Clark Hickey, Kevin Billert and Khalil Brooks in his praise.

The Panthers jumped out on top 13 minutes into the game when Nicholas' high arcing shot got taken by the wind and swept past the

H.S. ROUNDUP

Cambridge keeper for a 1-0 Panther lead.

"It was a really nice shot," said Wilson of Nicholas' first goal of the season. "Getting an unexpected goal from Mark was very welcome."

Cormier then added his two goals to put Cambridge away. This was the same Cambridge team that it took the Panthers two overtimes to beat earlier in the season.

Wilson especially praised the play of Hickey, who made 10 "crucial" saves in the first half, and Tom Skorupski, who came back from an injury to play a strong game.

The Panthers ran their league record to 7-1, and their overall record to 13-2. The WASAREN league champs have one game remaining, at New Lebanon on Saturday before the playoff slots are set.

Top performers

JOHN KING, Hoosick Falls — King scored three goals and assisted on another to help keep the Panthers records perfect (10-0) this fall. King's hat trick led Hoosick Falls past Stillwater 5-2 in a Wasaren League boys' soccer game.

TOP PERFORMERS

TOM RONDEAU, Hoosick Falls — With Jessie Cormier, the team's leading scorer, on the bench with a broken nose the senior forward took control as Hoosick Falls rallied for a 2-0 overtime victory against Cambridge in a Wasaren League boys' soccer game. Rondeau scored one goal and assisted on another as the Panthers remained perfect with a 9-0 record

JESSIE CORMIER, Hoosick Falls — Cormier, coming back from a broken nose he suffered two weeks ago, scored three goals to increase his total to 23 this season as the Panthers beat Tamarac 8-1 in a Wasaren League boys' soccer game.

“ The wind was a big factor, It must have been blowing 35 miles per hour. That's what makes it such an incredible feat that the defense held them in check all game.

WASHINGTON — As the cease-fire held Thursday in the Persian Gulf War, allied generals prepared to meet in the desert with their Iraqi counterparts to discuss terms of ending the battle and exchanging prisoners of war.

President Bush said Iraq agreed to a U.S. request to name military commanders to meet with the coalition to discuss a permanent cease-fire.

"We are going to get back our POWs and we're going to do it fast," Bush declared. "... We will promptly go back to them with the arrangements" for the meeting, which he said should take place soon.

By late Thursday, Secretary of State James A. Baker III had sent a message suggesting a time and place for the meeting to the Soviet Union, which is acting as an intermediary between the United States and Iraq, a State Department official said. The State Department also notified Iraqi diplomats in Washington and at the United Nations.

Bush ordered Baker to the Middle East for the first time since the war began to discuss the future of the Persian Gulf region.

In addition, the Bush administration put finishing touches on a draft resolution for the U.N. Security Council to maintain a ban on all weapons shipments to Iraq — as long as Iraqi President Saddam Hussein retains his political power. The resolution also would continue economic sanctions until Iraq complies — as it has promised to do — with all 12 U.N. resolutions passed to protest its Aug. 2 invasion and occupation of Kuwait.

While U.S. officials did not predict Security Council approval, resolutions are normally not introduced unless there is prior assurance of passage.

It's true, folks! You too can be a pop star. It helps to have a good-looking face, but don't worry about the voice: no singing is required. That's the word from **Milli Vanilli**, the wildly popular Franco-German duo whose first album sold 10 million copies worldwide and won them the Best New Artist Grammy Award for 1989. Last week their producer, Frank Farian, revealed that Rob Pilatus and Fab Morvan never sang a note on their hit 1989 album *Girl You Know It's True*. The pretty-boy lip syncers may lose their Grammy but not necessarily their careers. In today's record business, looks still count more than sound.

SHOW

The many dedicated members of Drama Club truly captured the magic of the Rodgers and Hammerstein production of *Cinderella*. Cinderella was played by Megan Uebelacker, the Prince — Tom Gates, the Stepmother — Jessica Wheeler, the Wicked Stepsisters, Joy and Portia — Betsy Phelps and Merideth Hadlock, and the Fairy God-

mother by Tracy Berchl.

The technical crew using their expertise, provided the many special effects: lighting, props, and other important things that wouldn't have been possible without them.

Thank You to the Hoosick Falls Drama Club for the enjoyable and magical show for all ages!

On October 12, 1990 the Drama Club sponsored a very well attended Lip Sync contest in the auditorium. The contest was open to anyone who wished to display their lip sync abilities, and in some cases their dance ability and compete for three cash prizes. All of the eleven acts were very different, and each performer did a wonderful job. Much hard work was put into all of the acts, and it showed. Our first place winner was "Rappin" Ray Hunt, assisted by Mr. Harrison. The money Drama Club earned was used along with the profit from *Cinderella* to buy lighting equipment.

REVIEWS

The Hoosick Falls Bands

Hoosick Falls Central has three fine bands, two of which make the annual issue of the yearbook. The Elementary band directed by Mrs. Ellen Barber and consisting of 90 members provides the beginnings for the Junior and Senior Bands.

The Hoosick Falls Junior Band consists of seventh and eighth grade students, rehearses three times weekly, and like groups of instruments receive a weekly lesson. Four concerts are performed annually as well as two parades. Some Junior Band members also perform in Berlin on July 4th. The season opened with the Fall Concert, followed by the Christmas and March Pops concert. The Spring Concert consisted of the music that the band will take to the NYSSMA Band Contest. In last year's contest, the band received an A rating.

The Junior band provided special music at the Christmas assembly program and for the Middle School Awards program. The Band helped the community of Hoosick as well as Hoosick Falls celebrate the Memorial Day rites.

The Junior Band attended the NYSSMA contest again this year and some soloists performed solos at the Solo Festival.

The Senior Band completed the uniform project last season with the purchase of new pants and hats to go along with the shirts purchased in 1977. The Senior Band entered the NYSSMA contest in level four and received a B+ rating. NYSSMA lists music from levels one through six with the six being most difficult.

Members of the Senior Band brass section provided brass choir music in the village at the beginning of the Christmas season. They also went to the Hoosick Falls Health Center and the Danforth Adult Home.

The Senior Band performed in the October Concert as well as the Christmas Concert, March Concert and the Spring Concert. They performed music for the National Honor Society induction ceremony, Flag Day at the Elks, and Graduation. As the yearbook goes to press, plans are underway for a trip to New York City in May. Tentative plans have been made to perform on the Aircraft Carrier Intrepid with the rest of the day spent touring Ellis Island and the Statue of Liberty.

A combined group of marching musicians will perform for the July 4th parade in Berlin.

Both the Junior and Senior Bands are under the direction of William Gaillard and bring to the community much fine music.

Music Department Concerts

This year the H.F.C.S. Music Department hosted two seasonal concerts. On Sunday, December 16, the Elementary Band performed under the direction of Mrs. Barber. Their selections included a very informative demonstration of the students' progress throughout the year. The Junior High Chorus performed three Christmas songs directed by Mr. Rutan. Their last selection included a solo fiddle accompaniment. The concert ended with several selections by the Senior Band under Mr. Gaillard's baton, and a community carol sing-a-long.

On Monday, December 17, the Elementary Chorus performed first, followed by the Junior High Band. The Senior High Chorus, who received a citation the week before for their performance for the Kiwanis Luncheon, were the last group to perform. For a finale, all three groups performed "Rudolph the Red-Nosed Reindeer" together.

"Oh no, you caught me"

"I'm always in control"

"Wow look at that."

"I'm ruff and tuff!"

"Oh class, be quiet"

"I refuse to look at you"

"Uh, well my opinion is . . ."

"When is this game going to be over."

Newest method of getting the teacher's attention.

We love to decorate for homecoming!

Hey Michelle, over here!

Check out my dunk shot.

Come get me, NOW!

Say "Cheese"

Oops, I missed my bus again.

I'm glad I don't have to dissect this!

I wonder . . .

Romeo, Oh Romeo, Where for art thou Romeo?

Watch the birdie, Amy!

Look — no hands.

Is it time to go home yet?

What's so funny?

I got the day off!

Time to Face the World

Our high school days are over
As we come to the close of this year.
We are filled with fear and trepidation
As the realization of life appears.

The paths of our lives are made of
All we've yet to be and all we've yet to do . . .
They are made of our hopes and dreams
Just waiting to come true.

We will try to follow these paths
With the light of knowledge as our guide.
However hard it may be,
We will trust in our aspirations with pride.

The laughter and the tears of the past four years at H.F.C.S.
Will always remain with us.
They will never be forgotten,
Because they have become part of us.

We leave this school behind us now,
With the hopes of success and fame.
The time has come to face the world
Of life and love and pain.
