THANK, YOU MRS DECKER!

This year the senior class and the year book staff would like to dedicate this yearbook to a teacher well-deserving of this honor: Mrs. Sally Decker.

Mrs. Decker has been with our class through many things. She valiantly stepped forward and volunteered to be our Junior class adviser, when no one else would. She was a fantastic adviser. Our prom was an incredible success largely due to the kind prodding of Mrs. Decker. She helped many of us struggle through Calculus, Course 2, General Math, or any math, depending on what we took. No matter how busy she was, she always was out there to be able to find the time to help someone in need of it — even if it wasn't math.

We thank you, Mrs. Decker, for always being there for us, ready to lend a hand, or a listening ear. We greatly appreciate all of your efforts, and we love you.

GOLF

RECIPE OF A TRADITION!!

Start with experience; (Tim Hayes, Captains Matt Crucetti, and Art Nash) stir lightly with motivation; (John Trottier, Aaron Blinstrub) heat gently; (Jason Baklavas, Jeff Stratton) add a pinch of heart and dedication; (Ryan Callahan, Tim Coulter) chill and serve; (the rest of the underclassmen) The result — probably the best all around HFCS team to date.

All team goals, save one, were again achieved this season. WASAREN CHAMPS — INVITATIONAL CHAMPS — SECT. 2 C-D RUNNERS-UP and AN HFCS

REPRESENTATIVE ON THE STATE SECT. 2 GOLF TEAM. It has been an exciting season filled with team statistics broken and individual goals being modified. The team bond will only strengthen, as other members attempt to duplicate this year's achievements in 1993. They have already charted that course that will lead them to a continuation of the tradition by making a commitment to the game of golf.

Thanks again team, for letting me share in one fleeting, successful, athletic moment in your lives.

In spring of '92, 11 students and 4 adults from HFCS spent a week in Paris, France and several hours in Amsterdam. We saw many of the famed sights including the Eiffel Tower, the Louvre, Versailles, Notre Dame, and even Jim Morrison's grave. We had a fabulous time. This spring, the Foreign Language club will go to Spain. Fund raising activities were the key to lowering the cost of these trips.

The Middle School Band is a group of seventh and eighth graders who meet three times a week. This band performs yearly in the Fall Concert, Christmas Concert, Mid-Winter Concert, and Spring Concerts. Last May the band per-

formed at the NYSSMA major organization festival where they earned a rating of silver. During the year the students participate in fund raising activities to raise money for their annual trip the Riverside Park as a year end activity.

Victory for Bill Clinton

On a mission of mercy, U.S. troops spread hope to starving Somalia.

Election 1992, Democratic Presidential Candidate, Arkansas Governor Bill Clinton wins 357 electoral votes while Republican Presidential Candidate, President George Bush wins 168 electoral votes, and Independent Presidential Candidate, businessman, Ross Perot won no votes in the electoral college. January 20, 1993 came quickly and the twelve year Republican reign at the White House came to an end at precisely noon.

Also during this year United States troops have moved into the country of Somalia to help relieve the wide spread starvation of its people. Bosnia wages war as "ethnic cleansing" continues. The Serbians and Croatians continue to fight destroying villages and lives.

This?

England's Prince Charles and Princess Diana separate.

In Washington state, Native Americans rebury bones dug up during Dam construction.

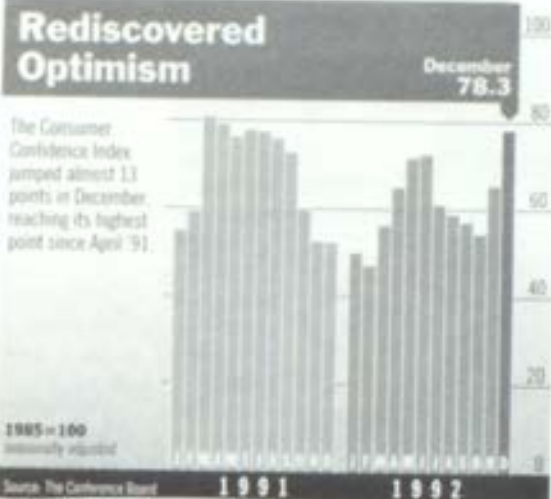

Summer Olympics Barcelona, Spain

117-85 the final score in Men's basketball finals. The U.S. Dream Team (the NBA's 11 best players and Duke's Christian Laettner) won the U.S.'s first gold medal in this sport since the 1984 Olympics in Los Angeles. Hungary's Henrietta Onodi, won the silver medal in Women's gymnastics, but won the audience's hearts.

Rediscovered Optimism

The Consumer Confidence Index jumped almost 11 points in December, reaching its highest point since April '91.

Now a single woman, **Ivana Trump** has written her first self-help book. The purpose of her book is to aid divorced women pick-up the pieces of their lives. The book *On My Own*, is a financial-management and personal-growth guide for the suddenly single woman.

COLOR

schemes

Why do colors affect you and your ideas? Just for fun pick your favorite color and see what it says about you!!!

IF YOUR FAVORITE COLOR IS RED

You're fun loving, ambitious, generous, extroverted, and have lots of friends. If there's a new kid in school you're sure to be the first one to say hello. You can be stubborn if you don't get your way — however you usually do get your way.

IF YOUR FAVORITE COLOR IS PURPLE

You're regal, purple is the color of royalty, and like a royal you are a natural leader. If light purple is your passion you're a romantic. Put these two traits together and you can influence anyone!!!

IF YOUR FAVORITE COLOR IS YELLOW

You like the spot light, because when you're in yellow people will take notice of you. If a friend is down in the dumps, you're sure to be the one to cheer her/him up. There is just something happy about the color yellow.

IF YOUR FAVORITE COLOR IS WHITE

You're independent, innocent, moral, and to some you may appear delicate. When it comes to doing the right thing, no matter how difficult it might be, you always do it. Your friends trust and depend on you for advice on issues of right and wrong.

IF YOUR FAVORITE COLOR IS PINK

You're a romantic, you tend to fall in love easily and are affectionate, charming, and compassionate. Once you so fall head over heels in love, you expect every thing to be perfect and may be disappointed when things get bumpy.

**IF YOUR FAVORITE COLOR IS
GREEN**

You're full of energy and always on the go you seem to have a never ending list of things to do, but you never forget to make time for your friends. If a friend needs your help, you will drop everything to lend a hand.

**IF YOUR FAVORITE COLOR IS
BROWN**

You're a down-to-earth sort of person, you are concerned about the environment and you're thought of as stable and honest. If a Grateful Dead concert came to town, you'd put on a tie-dyed tee-shirt, and ripped jeans and be the first in line.

**IF YOUR FAVORITE COLOR IS
BLACK**

You're a loner, and seem authoritative, aloof and disciplined. You like new ideas, if you're sure they'll fit your image. You give the impression of sophistication. If it seems people look up to you it's because you're both strong-willed and independent.

**IF YOUR FAVORITE COLOR IS
ORANGE**

You're friendly, like yellow you like lots of attention, however when you wear orange people may not take you as serious. If a party's going on you would know about it and probably be the life of the party.

**IF YOUR FAVORITE COLOR IS
BLUE**

You're calm, dependable and persistent. You easily fall into depressions, but spring back easily. You tend to have only a few friends, but they're very loyal to you. You are logical and your friends trust you to be level-headed. In an emergency you will stand out as a true leader.

HOMECOMING WEEK 1993

Homecoming 1993 was different this year, instead of each day having an individual theme, there was one big theme PANTHER PRIDE. Each day one aspect of panther pride was celebrated.

Monday — Pride in Academics — teachers and students switch roles, Tuesday — Pride in Sports — the Senior girls vs. Junior girls in the annual powder puff football game (0-0), Wednesday — Pride in Teachers — the Student Council provided a breakfast for teachers, Thursday — Pride in Performing Arts — the Drama Club and Theater Arts class had open rehearsals and the band performed, Friday — Pride in Students and Staff — and on Saturday the football game and dinner/dance at the Ramada Inn.

Junior Prom 1992

In the weeks before the Junior Prom, the class of 1993 worked hard to transform the gymnasium into a wonderland of purple and white, the perfect setting for a spring prom. The Grand March was held in the auditorium. After the Grand March, Rebecca Walker was crowned Prom Queen and Tom Skorupski was crowned

Prom King.

Immediately after the Prom was the Afterglow, held at the Ramada Inn in Bennington. The Afterglow included food, swimming, games, and other entertainment until dawn. A great time was had by all.

"What are you smiling about?"

"Where does this go?"

"Does this go on forever?"

"A meeting of the minds"

"Can we move now?"

"Dancing the night away"

"Where am I going?"

"Queen Rebecca and King Tom"

"Smile! You're on Candid Camera"

"The whole gang"

"I'm sooo nervous"

"Don't trip me!"

"We're all smiles"

CLASS OF 1993

1993

GRADUATION DAY

*I can picture that night,
My cap and gown is blue and white.
Smiles, laughter, and tears,
Are spread on the faces of my peers.
I'll glance over and catch a friend's eye,
But what I find is no surprise
Happy about going, sad about leaving,
A new beginning is coloring the dreams I'm weaving.*

CONGRATULATIONS GRADS
